ZONING RESOLUTION

A. RESOLUTION, for the purpose of promoting public health, safety, morals, comfort, and general welfare; to provide property for an orderly and systematic development of Ohio Township, to conserve and protect property and property values; to secure the most appropriate use of land; and to facilitate adequate but economical provision of public improvements, all in accordance with the Comprehensive Plan; the Board of Trustees of this Township finds it necessary and advisable to regulate the location, size, and use of buildings and other structures; the percentages of lot areas which may be occupied, set-back building lines; size of yards, courts and other spaces; and the uses of land for trade, industry, residence, recreation or other purposes and for such purposes; divides the unincorporated area of the Township into districts or zones.

BE IT RESOVED BY THE BOARD OF TRUSTEES OF OHIO TOWNSHIP, CLERMONT COUNTY, STATE OF OHIO:

ARTICLE I

PURPOSES

SECTION 1. For the purposes of promotion public health, safety, morals, comfort or general welfare; to provide for an orderly and systematic development of Ohio Township, to conserve and protect property and property values; to secure the most appropriate use of land, and to facilitate adequate, but economical provisions of public improvements all in accordance with the provisions of Chapter 519, TOWNSHIP ZONING of the Revised Code of Ohio, it is hereby provided as follows:
ARTICLE II

DISTRICT AND BOUNDARIES THEREOF

SECTION 1. Districts. In order to classify, regulate, and restrict the location of industries, residences, recreation, trades, and other land uses and the location of buildings designed for specific uses, to regulate, limit, and restrict the height and size of buildings, number of stories and other structures hereafter erected or altered; to regulate and limit the percentages of lot area which may be occupied, set-back building lines, sizes of yards, and other open spaces within and surrounding such buildings, the density of population; the territory of Ohio Township, Clermont County, Ohio, is hereby divided into (7) seven classes of “Districts”. All such regulations are uniform for each class of kind of building or structure to use throughout each class of district and said Districts shall be known as:

1. AGRICULTURE DISTRICT
2. CONSERVATION “C” DISTRICT
3. RESIDENCE “R1” DISTRICT
4. RESIDENCE “R2” DISTRICT
5. BUSINESS “B” DISTRICT
6. INDUSTRIAL DISTRICT
7. MOBILE HOME PARK and SUBDIVISION “M” DISTRICT

SECTION 2. District Maps. The boundaries of the DISTRICTS are indicated upon the “District Map” and are applicable to the next adjacent lot line of such District where boundaries do not fall on lot lines. This map is made a part of this RESOLUTION. The said District Map of Ohio Township, Clermont County, Ohio, and all the quotations, references, and the other matters shown thereon, shall be as much a part of this RESOLUTION as if the notations, references, and other matters set forth by said map were all fully described herein. The District Map is properly attested and is on file in the Office of the Ohio Township Trustees.

SECTION 3. District Boundaries. The district boundary lines of said map are intended to follow either streets or alley or lot lines, and where the districts
designated on the map are bounded approximately by such street, alley, or lot lines, the street or alley or lot shall be construed to be the boundary of the district, unless such boundary is otherwise indicated on the map. In the case of unsubdivided property, the district boundary lines shall be determined by the use of h/t scale appearing on the Zoning District Map or by dimensions.

SECTION 4. Vacation of Public Way. Whenever any street, alley, or public way is vacated by official action of the Board of Trustees of Ohio Township or the Board of County Commissioners of Clermont County, the zoning district adjoining each side of such street, alley, or public way shall be automatically extended to the center of such vacation and all area included in the vacation shall then and henceforth be subject to all appropriate regulations of the extended districts.
ARTICLE III
DEFINITIONS

The words that are defined are those that have special or limited meanings as used in the Zoning Resolution and might not otherwise be clear. Words whose meaning is self-evident as used in this Zoning Resolution are not defined here.

1. Accessory Structure or Use: Any structure or use, other than the principal structure or use, directly incidental to or required for the enjoyment of the permitted use of any premises; also as specifically designated under the zoning district regulations of this Zoning Regulation.

2. Agriculture: The use of the land only – minus agricultural structures – for the cultivation of crops, or the raising of animals, or preservation in its natural state.

3. Agricultural Structures: Any structure of building accessory to the principal agricultural use of the land. Farm dwellings, however, are principal buildings.

4. Alteration: Any changes or addition to the supporting members or foundation of a structure.

5. Basement: A story having part but not more than one-half (1/2) its height below grade. A basement is counted as a story for the purpose of height regulations.

6. Building: Any structure that fully encloses space for the occupancy by persons or their activities.

7. Cellar: A story having more than one-half (1/2) of its height below grade. A cellar is counted as a story for the purpose of height regulation only if used for dwelling purposes other than by a janitor employed on the premises.

8. Commercial Floor Area: Floor area of buildings that is devoted to the storage and display of merchandise, the performance of consumer services, or the circulation and accommodation of customers.

9. Consumer Services: Sale of any service to individual customers for their personal benefit, enjoyment, or convenience, and for fulfillment of their own personal services such as cleaning and barbering, the provision of
lodging, entertainment, specialized instruction, financial services, automobile storage, transportation, and similar services.

10. **Dwelling and Dwelling Unit:** A dwelling is a building providing shelter, sanitation, and the amenities of permanent habitation. It does not include mobile homes, temporary lodging, or sleeping rooms. A dwelling unit means the dwelling accommodations designed for one individual; or, family unit maintaining separate and independent housekeeping.

11. **Height of Structure:** The vertical distance measured from the average finished grade at the front building line to the highest point of the structure.

12. **Home Occupations:**
   **A. Purpose:** The purpose of the Home Occupation provision is to allow for home occupations that are compatible with the neighborhood in which they are located.
   **B. Definition:** A home occupation is a lawful activity commonly carried on within a dwelling by a member or members of the family who occupy the dwelling where the occupation is secondary to the use of the dwelling for living purposes and the residential character of the dwelling is maintained.
   **C. In all residential and agricultural zones, home occupations in compliance with the following regulations are permitted as accessory uses, and no special use permit shall be required in order to establish and maintain such uses.**
   1. A home occupation shall be conducted within a dwelling and shall be clearly incidental to the use of the structure as a dwelling.
   2. There shall be no storage of equipment, vehicles, or supplies associated with the home occupation outside the dwelling.
   3. There shall be no display of products visible in any manner from outside the dwelling.
   4. There shall be no change in the outside appearance of the dwelling or premises or any visible evidence of the conduct of a home occupation.
   5. No advertising display signs shall be permitted.
   6. No other than residents of the dwelling shall be employed in the conduct of a home occupation.
7. The use shall not generate excessive additional pedestrian or vehicular traffic.

8. The use shall not require additional off-street parking spaces for clients or customers of the home occupation.

9. No home occupation shall cause an increase in the use of any one or more public utilities (water, sewer, electricity, and garbage collection) so that the combined total use for dwelling and home occupation purposes exceeds the average for residences in the neighborhood.

10. The home occupation shall not involve the use of commercial vehicles for delivery of material to or from the premises, other than one (1) vehicle not to exceed three-quarter (3/4) ton.

11. No motor power other than electrically-operated motors shall be used in connection with a home occupation. Home occupations shall not involve the use of electric motors of more than one (1) h.p.

12. No equipment or process shall be used in a home occupation which creates noise, vibration, glare, fumes, or odor detectable to the normal senses of adjoining property owners.

13. No equipment or process shall be used that creates visual or audible electrical interferences in any radio or television received off the premises or causes fluctuations in line voltage off the premises.

14. Use not more than twenty-five percent (25%) of the existing living space within the dwelling.

15. Not involve the use or storage of tractor trailers, semi-trucks, or heavy equipment such as construction equipment used in a business.

13. Industry, Heavy: Those industries whose processing of products results in the emission of any atmospheric pollutant, light flashes, glare, odors, noise, or other vibration that may be heard or felt off the premises, and those industries whose processing of products results in none of the above conditions.

14. Junk Yards and Auto Salvage Yards: When permitted by the Board of Zoning Appeals, junk yards and auto salvage yards shall be located not less than three hundred (300) feet from any road, street, residence district, residence, school, hospital, or institution for human care. Junk yards and auto salvage yards shall be enclosed on all sides by a metal fence or wall.
not less than eight (8) feet high. Plans for such junk yards and auto salvage yards shall be submitted to the Board of Zoning Appeals before any Zoning Certificate is granted and shall be subject to its approval.

15. **Lot**: A parcel of land under one ownership devoted to a common use or occupied by a single principal building plus accessory structures. Does not include agricultural tract; however:

- **Corner Lot**: A lot that abuts on two intersecting streets at their intersection.
- **Double Frontage Lot**: Any lot other than a corner lot that abuts on two streets.
- **Lot Line**: The boundary dividing a lot from a right-of-way, adjoining tract of land. Front, rear, and side lot lines are self-explanatory.
- **Lot of Record**: A lot that is recorded in the office of the County Recorder.

16. **Mobile Home**: Any vehicle or similar portable structure used or so constructed as to permit its being used as a conveyance upon streets and as a dwelling for one or more persons.

17. **Non-Conforming Structure or Use**: A structure or use of any premises that does not comply with all provisions of this Zoning Resolution, but that existed before its designation as non-conforming by the adoption or amendment of the RESOLUTION.

18. **Non-Retail Commercial**: Commercial sales and service to customers who intend resale of the products or merchandise sold or handled. For example, non-retail commercial includes wholesaling, warehousing, trucking, terminals, and similar commercial enterprises.

19. **Outdoor**: Refers to that which is not within a building,

20. **Planned Development Project**: A complex of structures and use planned as an integral unit of development rather than as single structures on single lots.

21. **Premises**: A lot or other tract of land under one ownership and all the structures on it.

22. **Processing**: Manufacturing, packing, repairing, cleaning, and any other similar original or restorative treatment applied to raw materials, products,
or personal property. Processing does not refer to the fabrication of structures.

23. **Public Service Building:** Any Building necessary for the operation and maintenance of a utility.

24. **Retail Sales:** Sale of any product or merchandise to customers for their own personal consumption and use, not for resale.

25. **Road:** A traffic-carrying way. As used in this Zoning Resolution, a road may be privately owned.

26. **Sleeping Room:** A single room rented for dwelling purposes, but without the amenities for separate and independent housekeeping.

27. **Special Use:** A use that must receive special approval by the Board of Zoning Appeals if delegated, in order to be permitted in a zoning district.

28. **Street:** Any highway or other public traffic-carrying way. An arterial street in any numbered federal, state, or county highway unless otherwise designated.

29. **Structure:** Any combination of materials fabricated to fulfill a function in a fixed location on the land, includes buildings.

30. **Mobile Home Park:** A tract of land prepared and approved according to the procedures of this zoning resolution to accommodate three or more mobile homes.

31. **Use:** Use broadly refers to the activities that take place on any land or premises and also refers to the structures located thereon and designated for those activities.

32. **Variance:** A departure from the strict conformance with the dimension and area regulations that may be approved by the Board of Zoning Appeals.

33. **Yard:** The open space surrounding the principal building on any lot, unoccupied and unobstructed by any portion of the building from the ground to the sky except where specifically permitted by this Zoning Resolution. Yards are further defined as follows:
   - **Front Yard:** That portion of the yard extending the full width of the lot and measured between the front lot line and a parallel line tangent to the nearest part of the principal building, which line shall be designated as the front yard line.
Rear Yard: That portion of the yard extending the full width of the lot and measured between the rear lot line and a parallel line tangent to the nearest part of the principal building.

Side Yard: Those portions of the yard extending from the front yard to the rear yard and measured between the side lot lines and parallel lines tangent to the nearest parts of the principal building.

34. Cellular or Wireless Telecommunication Towers: Any freestanding structure used to support cellular, PCS, or wireless communication antennas.
ARTICLE IV

GENERAL PROVISIONS APPLICABLE TO ALL ZONING DISTRICTS

SECTION 1. Existing Buildings and Uses Not Affected. Any building, structure, or use existing at the time of the enactment of this RESOLUTION may be continued, even though such building, structure, or use does not conform with the provisions of this Resolution. If, however, any such nonconforming use is voluntarily discontinued for twelve (12) months or more, any future use of said land or structure shall be in conformity with the zoning regulations of the district in which the structure is located.

SECTION 2. Restoring Unsafe Buildings. Nothing herein shall be construed as preventing the strengthening or restoring to a safe condition of any part of any building or structure declared unsafe by the building inspector or from complying with his/her lawful requirements.

SECTION 3. Approved Water Supply and Sewage Disposal Facilities. It shall be unlawful to locate, erect, or construct any building or structure on any lot or to use or permit the use of any lot without provision for approved water supply and sewage disposal facilities. Wherever an existing water and/or sewer main is accessible, connections shall be made with such mains. In every other case, individual water supply and sewage disposal facilities meeting fully the requirements of the county health officer shall be installed in accordance with the standards and specifications prescribed by him/her and under his/her supervision, and to his/her satisfaction. A certificate of approval of the proposed method of water supply and disposal of sanitary wastes shall be obtained from the county health officer prior to the filing of the application for a zoning permit or certificate of occupancy provided for herein, and such certificate shall accompany each such application.
SECTION 4. Uses Not Provided For. Any use specifically not mentioned in the RESOLUTION shall be assumed prohibited unless otherwise stated by the Board of Zoning Appeals.

SECTION 5. Additional Structures Regulated (Amended June 27, 2005). Only one principal building shall hereinafter be erected on any lot. Only one primary (#1) accessory building may be erected on the lot and only one secondary accessory building (#2) not used as a private garage may be erected on any lot.

A primary #1 accessory building shall not exceed the following sizes:

- Lot size one acre or less – 1000 square ft.
- Lot size greater than one acre but less than two acres – 1300 square ft.
- Lot size greater than two acres but less than three acres – 1600 square ft.
- Lot size greater than three acres but less than five acres – 2000 square ft.
- Lot size greater than 5 acres – 2250 square ft.

Setbacks – primary accessory building #1 shall be built in the rear yard and not less than thirty five (35) feet from the rear and ten (10) feet from the side lot lines.

Maximum height of building shall be twenty five (25) feet.

A secondary accessory building #2 used other than as a private garage shall not exceed the following sizes:

- Lot size one acre of less – 200 square ft.
- Lot size greater than one acre but less than two acres – 300 square ft.
- Lot size greater than two acres but less than five acres – 500 square ft.
- Lot size greater than five acres – 700 square ft.
Setbacks – secondary accessory building #2 shall be built in the rear yard and not less than thirty five (35) feet from the rear and ten (10) feet from the side lot lines.

Maximum height of building shall be fifteen (15) feet.

No lot split shall be allowed that will result in a parcel having an accessory building too large for zoning regulations.

SECTION 6. Off-Street Automobile Parking and Storage.

6.1.0 Permanent off-street automobile storage, parking, or standing space shall be provided as set forth below at the time of the erection of any building or structure, at the time any principal building or structure is enlarged or increased in capacity by adding dwelling units, guest rooms, or floor area, or before conversion from one zoning use or occupancy to another. Such space shall be provided with vehicular access to a street or alley. This space shall be deemed to be required open space associated with the permitted use and shall not thereafter be reduced or encroached upon in any manner. No required front yard or portion thereof in any residential district shall be utilized to provide parking space required in the RESOLUTION. At least the following minimum parking space requirements for specific uses shall be provided.

6.1.1 Residences and Apartment Houses.

One (1) parking space for each dwelling unit or apartment.

6.1.2 Retail Business.

Parking or storage space for all vehicles used directly in the conduct of such business plus four (4) parking spaces for the first one thousand (1,000) square feet of total floor area and one (1) additional space for every additional one hundred and fifty (150) square feet of floor area.

6.1.3 Industrial Plants and Facilities.
Parking or storage space for all vehicles used directly in the conduct of such industrial use plus one (1) parking space for every three (3) employees on the premises at maximum employment on a single shift.

6.1.4 **Location of Camping Trailers and/or Boat.**

Regardless of size, only one camping trailer and only one boat may be parked on any lot of record provided that no living quarters shall be maintained or any business conducted while such trailer is parked. The definition of a side yard is set out in Article III, Paragraph 33.

6.1.5 **Definition of a Camping Trailer.**

Any vehicle or structure designed and constructed in such a manner that its primary purpose is for use as a temporary seasonal residence at a different location on land or water, during vacation or recreation periods, and is or may be reasonably mounted on wheels or a motor vehicle.

**SECTION 7. Additional Parking Provisions.**

If the vehicle storage space or standing space required above cannot be reasonably provided on the same lot on which the principal use is conducted, the Board of Zoning Appeals may permit such space to be provided on other off-street property, provided such space lies within four hundred (400) feet of the main entrance to such principal use. Such vehicle parking space shall be deemed to be required open space associated with the permitted use and shall not thereafter be reduced or encroached upon in any manner.

The required parking space for any number of separate uses may be combined in one lot, but the required space assigned to one use may not be assigned to another use at the same time, except that one-half (1/2) of the parking space required for churches, theaters, or assembly halls, whose peak attendance will be at night or on Sunday.
No commercial motor vehicle exceeding two (2) tons in rated capacity may be parked in the open in a residential zone.

No abandoned, wrecked, dismantled, or totally disabled automobiles, trucks, trailers, aircraft, or discarded furniture, appliances or other miscellaneous materials shall be permitted to remain exposed on the premises in any district for a period of more than thirty (30) days.

SECTION 8. Obstruction to Vision at Street Intersection Prohibited: Within the triangular or other shaped area formed on a lot by a straight line connecting the right-of-way lines of an intersecting street and a rail line or the right-of-way of two intersecting streets at points twenty (20) feet from the intersection of such right-of-way lines, there shall be no obstructions to vision between a height of three and one-half (3 ½) feet and height of ten (10) feet above the average grade of such street or railroad. This requirement applies to fences, walls, shrubbery, signs, marquees, and other obstructions to vision, but it does not prohibit a necessary retaining wall.

SECTION 8A. Front Yard Requirements and Corner Lots: Corner lots shall meet the front yard requirements of the district or districts in which they are located on both the street considered as the front street and the street considered as the side street.

SECTION 8B. Front Yard Requirements for Double Frontage Lots: Double frontage lots shall meet the front yard requirements of the district or districts in which they are located on both the streets upon which they front.

SECTION 8C. Required Yard Not to Be Used by Another Building: No part of a yard required about any building for the purpose of complying with the provisions of this RESOLUTION shall be included as part of a yard required by this RESOLUTION for another building.
SECTION 9. Removal of Bulky Items: No abandoned, wrecked, dismantled, or totally disabled automobiles, trucks, not currently licensed for use on roads in this State, trailers, aircraft, or discarded furniture, appliances, or other miscellaneous materials shall be permitted to remain exposed on the premises in any but Industrial (“I” Districts) for a period of more than thirty (30) days, with the exception of farm implements used in agriculture.

SECTION 10. Swimming Pools

A. All regulations governing the installation of private in-ground swimming pools within Ohio Township shall be in accordance with the Environmental Sanitation Regulations adopted by the Clermont County Board of Health. No private swimming pool, exclusive of portable swimming pools with a diameter of less than twelve (12) feet or with an area of less than one hundred (100) square feet, or of a farm pond, shall be allowed in any residential district except as an accessory use, and shall comply with the following requirements.

1. The pool is intended to be used solely for the enjoyment of the occupants of the property on which it is located and their guests.

2. The pool may be located anywhere on the premises except in required front yards, provided that it shall not be located closer than fifteen (15) feet to any property line.

3. The swimming pool, or the entire property upon which it is located, shall be walled or fenced in such a manner as to prevent uncontrolled access by children from adjacent properties. No such fence shall be less than four (4) feet in height, and it shall be maintained in good condition with a gate and lock.

B. After a permit from the Clermont County District Board of Health is obtained for an in-ground swimming pool, a township Zoning Certificate must also be obtained.

C. A township zoning permit must be obtained for any above-ground swimming pool. Such a pool shall be located not less than fifteen (15) feet from any road right-of-way or property line, and shall be fenced.
with a four (4) foot fence or otherwise equipped with suitable safety
devices designed to prevent entrance into the pool when not attended
by the owner or his/her representative.

SECTION 11. Nothing contained in this RESOLUTION shall prohibit the use of any
land for agricultural purposes or the construction or use of buildings or structures
incident to the use for agricultural purposes of the land on which such building or
structures are located, except as follows:

Dairying and animal and poultry husbandry are prohibited on lots less than five
(5) acres in platted subdivisions that have been approved pursuant to Ohio
Revised Code Section 711.05, 711.09, 711.10 and in areas consisting of fifteen
(15) or more lots approved pursuant to Ohio Revised Code Section 711.13
(711.13.1) that are contiguous to one another, or some of which are contiguous
to one another and adjacent to one side of a dedicated public road, and the
balance of which are contiguous to another and adjacent to the opposite side of
the same dedicated public road.
ARTICLE V
ZONING DISTRICT REGULATIONS

SECTION 1. Agricultural “A” District

A. Uses Permitted:
1. Agriculture, farming, stock raising, dairying, truck gardening, and nurseries.
2. Public and semi-public owned or operated properties.
4. Roadside stands offering for sale only agricultural products. Such stands shall be located at least twenty (20) feet from the edge of the pavement.
5. Home occupations.
6. Accessory buildings and uses customarily incidental to any of the above uses including bulletins boards and signs not exceeding thirty-two (32) square feet in area appertaining to the lease, hire, or sale of a building or premises or any material that is mined, manufactured, grown, or treated on the property, provided, however, that such signs shall be located upon or immediately adjacent to the articles processed, stored, or sold.

B. Uses Permitted as Special Exceptions: The following uses shall be considered special exceptions and will require written approval of the Board of Zoning Appeals.
1. Cemeteries, Columbarium, Crematories.
2. Amusement Parks, Playgrounds, Pay Fishing Lakes, Golf Courses, and Other Privately Owned Recreational Centers.
5. Drive-In Theaters Subject to the Following Conditions:
   a) The applicant presents plans and specifications for the proposed theater in a form suitable for making the determinations required herein.
b) There is approval of a plan of access to the highway from the agency responsible for the maintenance of such highway.

c) The entrances and exits shall be located where possible so as to afford unobstructed sight distance for five hundred (500) feet in each direction along the highway.

d) All buildings and structures (excluding fences) shall be a least one hundred (100) feet from any property line.

e) The picture screen shall not face or be placed so as it may be viewed from any major highway and shall be screened from view by trees or fence from any adjacent road.

f) Provisions shall be made to subdue speaker sounds when the theater abuts a residence or a residential lot or lots.

7. Private Airports and Landing Fields.

C. Uses Prohibited:

1. All establishments or enterprises operated publicly or privately for the disposal of garbage, rubbish, offal, or other waste or surplus material not originating the premises.

2. Junk Yards.

3. Mobile homes located on individual lots smaller than five (5) acres in area, except that one mobile home may be parked or stored in a rear yard and not less than ten (10) feet from a rear or side lot line, provided that no occupancy for human habitation be maintained or business conducted therein while such mobile home is so stored.

4. All other uses not specifically permitted by this Section.

D. Dimension and Area Regulations for lots and Structures: The regulations on the dimensions and area for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the Agricultural District.

SECTION 2. Conservation “C” District

A. Uses Permitted:
1. Any use or structure permitted and as regulated in the Agriculture “A”
   District, except as hereinafter defined.
2. Public and private forests and wildlife reservations or similar
   conservation projects, including the buildings for them.
3. The following uses are permitted in connection with streams, rivers,
   lakes, or other bodies of water, providing that the development of all
   permitted facilities in or adjacent to navigable waters shall be approved
   by the Corps of Engineers, Department of Army, and such statements of
   approval or denial shall be submitted to the Zoning Commission at the
   time of submittal.
   a) Boat Harbors and Marinas. The following uses shall be permitted as
      accessory uses in connection with any Boat Harbor or Marina and are
      primarily intended to serve only persons using the Boat Harbor or
      Marina. Advertising of any kind, including accessory uses, shall be
      within the building and shall not be visible from the outside of the
      building.
         (1) boat fueling, service, and repairs
         (2) sale of boat supplies
         (3) grocery store
         (4) restaurant
         (5) clubhouse and lockers
         (6) amphibious aircraft
   b) Public Boat Landing or Launching Facilities.
   c) Dockage Facilities.
   d) Off-street parking facilities and temporary parking of boat trailers,
      including spaces large enough to accommodate automobiles pulling
      boat trailers.
4. Flood-tolerant structures shall be erected in Flood Plain Areas as
delineated by the report and folder regarding Flood Plain Information on
the Ohio River compiled by the U.S. Army Corps of Engineers.
B. Uses Permitted as Special Exceptions: The following uses shall be
considered special exceptions and will require written approval of the
Board of Zoning Appeals.
1. Any special use permitted and as regulated in the Agricultural “C”
   District.
C. **Uses Prohibited:** All establishments or enterprises operated publicly or privately for the disposal of garbage, rubbish, offal, or other waste or surplus material not originating on the premises.

D. **Dimension and Area Regulations for Lots and Structures:** The regulations on the dimensions and area for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the Conservation “C” District.

---

**SECTION 3. Residence “R1” District**

A. **Uses Permitted:**

2. Churches and other places of worship; Sunday School buildings and parish houses.

3. Public and private elementary and high schools.

4. Publicly owned or operated properties including community buildings and fire stations.

5. Cemeteries, including mausoleums, provided that mausoleums shall be at least two hundred (200) feet from every street center line or any adjoining lot line.

6. Roadside stands, offering for sale only agricultural products that are produced upon the premises, including a sign advertising such products not exceeding twelve (12) square feet in area, provided that both stand and sign shall be removed during any season or period of time when they are not in use.

7. Temporary buildings incidental to construction work, provided that such temporary buildings shall be removed upon the completion or abandonment of the construction work.

8. Accessory buildings and uses customarily incidental to any of the above permitted use, including bulletin boards for public, charitable, or religious institutions, and signs not exceeding twelve (12) square feet in area appertaining to the lease, hire, or sale of a building or premises, providing that such signs shall be removed as soon as the premises are leased, hire, or sold.
9. Home occupations as defined in Article III, Paragraph 12 herein.

B. Uses Permitted as Special Exceptions: The following uses shall be considered special exceptions and will require written approval of the Board of Zoning Appeals.

1. Golf courses, except miniature courses and practice driving tees operated for commercial purposes, including such buildings, structures, and uses as are necessary for their operation; except those the chief activity of which is a service customarily carried on as a business,

2. Hospitals and institutions of an educational, religious, charitable, or a philanthropic nature, provided, however, that such buildings shall be located upon sites containing no less than five (5) acres, occupy not over ten (10) percent of the area of the lot, and that such buildings be set back from all required yard lines a distance of not less than two (2) feet for each foot of building height.

C. Uses Prohibited: All uses not specifically permitted by this Section are prohibited in the Residence “R1” District.

D. Dimension and Area Regulation for Lots and Structures: The regulations on the dimensions and areas for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the RESIDENCE “R1” DISTRICT.

E. Minimum Floor Area: The minimum total floor area per family, for Residence Districts, per unit may include attached enclosed garages, in addition to the residential floor area; however, no reduction in minimum residential floor area is permitted. Basement areas may be included in the total floor area, provided such areas are finished as residential living areas.

SECTION 4. Residence “R2” District

A. Uses Permitted:
   1. Any use or structure permitted and as regulated in the RESIDENCE “R1” DISTRICT except as hereinafter modified.
   2. Two-family, three-family, and multi-family.
   3. Conversions of single-family dwellings into two-family dwellings provided that the structure, when converted, conforms with the lot area, frontage, and yard requirements prescribed for such two or three-family dwellings in this Article and the Schedule of Dimensions and Area Regulations.
   4. Home occupations as defined in Article III, Paragraph 12 herein.
   5. Accessory buildings and uses customarily incidental to any of the above permitted uses and as regulated in the RESIDENCE “R1” DISTRICT, except hereinafter modified.

B. Uses Permitted as Special Exceptions: The following uses shall be considered special exceptions and will require written approval of the Board of Zoning Appeals.
   1. Any special use permitted as regulated in the RESIDENCE “R1” DISTRICT.
   2. Nursery schools and Child Care Centers, provided that there is established and maintained in connection therewith one or more completely and secured fenced play lots, which if closer than fifty (50) feet to any property line, shall be screened by a masonry wall or compact evergreen hedge of not less than five (5) feet in height, and located not less than twenty (20) feet from any property line and maintained in good condition.

C. Uses Prohibited: All uses not specifically permitted by this Section are prohibited in the Residence “R2” District.

D. Dimension and Area Regulation for Lots and Structure: The regulations on the dimensions and areas for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the RESIDENCE “R2” DISTRICT.

SECTION 5. Business “B” District
A. Uses Permitted:

1. Any use or structure permitted and as regulated in the RESIDENCE DISTRICTS except as hereinafter modified.

2. Consumer services, as defined in Article III, Paragraph 9 of this Resolution, but excluding bars, cocktail lounges, night clubs, billiard parlors, pool halls, and roller rinks.

3. Retail stores or shops, repair shops, mercantile establishments, banks, offices, or office buildings.

4. Restaurant, soda fountain, lunch room, but excluding drive-in eating and drinking establishments.

5. Gasoline filling stations with underground storage tanks.

6. All billboards, outdoor advertisement signs, and structures shall be limited to two (2) indirectly illuminated signs with a total area of not over forty (40) square feet; no part of any building shall be outlined or otherwise decorated with electric lights. Any enlargement or extension to any existing motel or motor hotel shall require application for a zoning certificate as if it were a new establishment. No enlargement or extension to any motel or motor hotel shall be permitted unless the existing one is made to conform substantially to all the requirements for new construction for such an establishment.

7. Automobile, truck, trailer, and farm implement establishments for display, hire, sale, and major repairs, including sales lots, provided all operations other than display and sales shall be within a completely enclosed building.

8. Bottling of soft drinks, creamery and dairy operations, ice cream and candy manufacturing, ice plants, or distributing stations.

9. Building material sales and storage yard, retail lumber and storage yard, including millwork and prefabrication.

10. Trucking, catering, express, or hauling terminal or transfer establishment, including the storage of vehicles.

11. Animal hospital, veterinary clinic, or kennel.

12. Wholesale sales and warehouses.

13. Accessory buildings and uses customarily incidental to any of the above permitted uses.
B. Uses Permitted as Special Exceptions: The following uses shall be considered special exceptions and will require written approval of the Board of Zoning Appeals.

1. Neighborhood shopping centers and other groupings of commercial buildings where there is a development of five (5) or more retail or establishments under single ownership.

2. Drive-in theaters subject to the same conditions and restrictions as outlined in Article V, Section 1, Subsection B, Paragraph 7 of this Resolution.

3. Commercial baseball fields, swimming pools, and similar open-air recreation uses or structures and facilities if located at least one hundred and fifty (150) feet from any Residence District.

4. Contractors’ equipment storage yard or plant, or storage and rental of equipment commonly used by a contractor, provided that such storage yard and plant shall be located at least two hundred (200) feet from any Residence District and one hundred (100) feet from any adjoining property line.

5. Drive-in eating and drinking establishments, summer gardens, and roadhouses including entertainment and dancing.

6. Bar, cocktail lounge, nightclub, billiard parlor, pool hall, bowling alley, dance hall, skating rink, and similar establishments.

C. Uses Prohibited:

1. Storage of flammable liquids, above ground, other than for use on the premises.

2. Junk yards.

3. Any other use not specifically permitted by this Section.

D. Dimension and Area Regulation for Lots and Structures: The regulations on the dimensions and areas for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the BUSINESS “B” DISTRICT.

SECTION 6. Industrial “I” District

A. Uses Permitted:
1. Any use or structure permitted and as regulated in the BUSINESS “B”
   DISTRICT except as hereinafter modified.

2. Any industrial or manufacturing activity that can be shown to not emit
   noise, smoke, dust, vibration, heat, bright light, odor, or other
   obnoxious effects beyond the limits of its lot.

3. The storage of inflammable liquid above ground in amounts less than six
   hundred (600) gallons and for use on the premises.

B. Uses Permitted as Special Exceptions: The following uses shall be
   considered special exceptions and will require written approval of the
   Board of Zoning Appeals.

1. The storage of sand or gravel or another raw material; the storage of
   equipment or vehicles of an earth-moving or construction nature,
   finished products or components of finished products, outside of
   completely enclosed buildings, on lots other than those on which the
   manufacturing, assembly, or principal activity of the permitted use
   occurs.

2. Bag cleaning plants; boiler and tank works; central mixing plants for
   cement, mortar, plaster, or paving materials; junk yards; establishments
   which cure, tan, or store raw hides and skins; distillation plants for
   bones, coal, wood, or tar; fat-rendering plants; forge plants, foundries
   for gasoline, oil and alcohol in excess of six hundred (600) gallons;
   slaughter houses and stockyards; smelting plants; plants for the
   manufacture of acetylene, acid, alcohol, alcoholic beverages, ammonia
   bleaching powder, chemicals, brick, pottery, terra-cotta, tile, candles,
   disinfectants, dye-stuffs, fertilizer, illuminating or heating as (or storage
   of same) linseed oil, paint, oil, turpentine, varnish, soap, and tar
   products; and establishments for the disposal of garbage, rubbish, offal
   or other waste or surplus material not originating upon the premises, by
   either landfill or incineration.

3. Any other industrial or manufacturing activity that in the opinion of the
   Board of Zoning Appeals will emit detrimental or obnoxious noise,
   vibration, smoke, odor, dust, heat, or light beyond the limits of the
   INDUSTRIAL “I” DISTRICT in which it is located.

C. Uses Prohibited: Uses not specifically permitted by this Section are
   prohibited in the INDUSTRIAL “I” DISTRICT.
D. **Dimension and Area Regulation for Lots and Structures:** The regulations on the dimensions and areas for lots and structures are set forth in the Schedule of Dimensions and Area Regulations on page 34. The applicable regulations shall be observed in the INDUSTIRAL “I” DISTRICT.

**SECTION 7. Mobile Home, Modular Home, Manufactured Home Park, and Subdivision “MHP” Districts.** The regulations set forth in this section, or set forth elsewhere in this RESOLUTION, when referred to in this Section are the deistic regulations in Mobile Home, Modular Home, Manufactured Home Park, and Subdivision “MHP” District. It is the purpose of this district to provide site for mobile homes, modular homes, and manufactured homes at appropriate locations in relation to the existing and potential development of their surroundings and in relation to other uses and community facilities to afford a proper setting for such uses and proper relation to other land uses and the comprehensive plan.

**A. Uses Regulations:** Land or premises within the Mobile Home, Modular Home, Manufactured Home Park and Subdivision “MHP” District shall be used only for mobile homes, modular homes, and manufactured homes and accessory buildings and uses customarily incident thereto.

**B. Procedure:** The owner or owners of a tract of land comprising not less than ten (10) acres may submit a plan for the use and development of the tract of land for a mobile home, modular home, and manufactured home park as provided herein. Such plan for development of the area shall be filed with the Township Zoning Commission and shall be referred to the Regional Planning Commission for study and report. The Regional Planning Commission shall recommend the approval or denial of the plan or approval of some modifications thereof and submit the plan, together with a report stating its findings and recommendations of the Township Zoning Commission for public hearing and recommendation thereon to the Board of Township Trustees for final public hearing and determination. If the report of the Regional Planning Commission recommends approval of the plan, it shall state the reasons for approval and shall include specific
evidence and facts showing that the proposed mobile home, modular home, and manufactured home park meets the following requirements.

C. General Requirements: Each mobile home, modular home, and manufactured home park shall comply with the rules of the Ohio Department of Health, Public Health Council, Mobile Homes Parks, Chapter 3701-27, inclusive, and with Section 3733.01 to 3733.20, inclusive, of the Ohio Revised Code, and other requirements imposed by the Clermont County Health Department, and any others required by law, in addition to the provisions of Article V, Section 7 of this RESOLUTION.

D. Design Requirements:
1. The location and planning of the mobile home, modular home, and manufactured home site and the amount, arrangement, and treatment of open space shall be designed to ensure a satisfactory living environment and shall be carried out in consideration of property adjacent to the area included in the plan and ensure that such adjacent property will not be adversely affected.

To this end there shall be established and maintained an open space landscaped buffer within the mobile home, modular home, and manufactured home park along its exterior boundaries. This buffer shall not be less than forty (40) feet along any other line, except that where topography or other physical features of the tract or its relation to surrounding property may make complete compliance with the buffer requirements as prescribed herein, unnecessary or undesirable, the Township Zoning Commission may modify such requirements to the extent warranted by such physical conditions, provided the surrounding property and public welfare are adequately protected, and areas not used for access parking, circulation, building, and service shall be completely and permanently landscaped and the entire site maintained in good condition. The buffer required herein shall be maintained as open space and landscaping in its entirety, and no areas used for access, parking, circulation, building, or service or other accessories of the mobile home, modular home, and manufactured home park shall be located within any part of such buffer. Recommendations of the
Regional Planning Commission are subject to the approval of the Township Zoning Commission and the Township Trustees.

2. The number of mobile home, modular homes, and/or manufactured homes shall not exceed seven (7) such units per net usable acre of the site. The net usable acreage shall be deemed to be the total area of the site, excluding any public street right-of-way and excluding the open space buffer required in Paragraph D.1.

3. All mobile homes, modular homes, and manufactured homes and accessory building and uses, including the recreation areas required herein, shall be located within the area determined and defined as the net usable area.

4. Permitted accessory buildings and uses shall include management offices, laundry facilities, recreation areas, and, where specifically approved as a part of the park plan, other recreation facilities and the sale of convenience goods and services exclusively for and to occupants of the mobile home, modular home, and manufactured home park.

5. Every mobile home, modular home, and manufactured home park shall provide one or more recreation areas easily accessible to all residents of the park. The aggregate size of such areas shall be not less than one hundred (100) square feet for each lot, and no individual recreation areas shall be less than three thousand (3,000) square feet. Such recreation areas shall be graded and arranged and provided with appropriate equipment for full recreational use of the area. No such recreation area shall be located in any part of the buffer.

6. Each mobile home, modular home, and manufactured home park shall abut and have access to a public street, and each mobile home, modular home, and manufactured home park shall have direct access to the private internal road system, either by directed frontage or by means of a ten (10) foot, hard surfaced driveway. Such internal road system shall be constructed to provide a permanent pavement of at least twenty six (26) feet, including curbs and gutters. Off-street parking spaces shall be provided in the ratio of two (2) spaces for each mobile home, modular home, and manufactured home lot; such spaces shall be within two hundred (200) feet from the mobile home, modular home, and
manufactured home or homes served. No parking space shall be located within any part of the buffer.

7. A common walk system shall be provided and maintained between locations where pedestrian traffic is concentrated, and all mobile home, modular home, and manufactured home stands shall be connected by walks to the common walk system, to the parking spaces, to the paved streets, and to all service buildings.

8. Each mobile home, modular home, and manufactured home stand shall be equipped with a concrete slab or with concrete ribbons of adequate thickness and size to support the mobile home, modular home, and manufactured home load during all seasons. Where concrete ribbons are used, the area between such ribbons shall be filled with crushed rock.

9. Each mobile home, modular home, and manufactured home park shall be adequately lighted for safety at night; all such lights shall be so located and shielded to prevent direct illumination of any area outside the park.

10. Each mobile home, modular home, and manufactured home park shall be provided with public water supply and a water distribution system installed in accordance with Clermont County specifications. Where a public sanitary sewer is reasonably accessible, the park shall be provided with sanitary sewerage connected thereto, including a lateral connection to each mobile home, modular home, and manufactured home lot, subject to the review and approval of the Clermont County Sewer District, the Clermont County Health Department, and the State Department of Health. Where a public sanitary sewer is not available and not reasonably accessible in the combined judgment of the Regional Planning Commission and the Clermont County Sewer District, an alternate means of sewage disposal, such as a community sewage treatment plant, may be considered, subject to review and approval of officials having jurisdiction. An individual sewage disposal system shall not be permitted.
Each park shall be graded and drained to prevent the standing of storm water and the method of drainage, including treatment of both paved and unpaved areas.

E. **Additional Requirement:** In addition to the foregoing, The Township Zoning Commission may impose such other conditions, requirements, or limitations concerning the design, development, and operation of such mobile home, modular home, and manufactured home park as it may deem necessary for the protection of adjacent properties and the public interest. The Township Zoning Commission may consider the recommendation of the Regional Planning Commission.

F. **Enlargement:** Any enlargement or extension of an existing mobile home, modular home, and manufactured home park shall be treated as if it were a new establishment and shall be subject to the provisions of Paragraph B and the other provisions of this Section. No enlargement or extension of a mobile home, modular home, and manufactured home park shall be permitted unless the existing park is made to conform substantially to all the requirements for new construction of such establishment.

### FOOTNOTES

1. First number for single family units; second number must be added for each additional unit.
2. 675 foot lot frontage permitted when lot is served by an approved sanitary sewer.
3. Front yard of 60 feet depth shall be required for all lots fronting on Federal, State, or County highways; 35 feet minimum shall be required for all lots fronting on Township roads.
4. No side yard shall be required except when the Business lot abuts a residential zoned lot; in such cases a 75 foot minimum side lot is required.
5. 50 foot side yard shall be required except when the industrial lot abuts a residential zoned lot; in such a case a minimum side yard of 200 feet is required.
6. The rear yards required in Industrial Districts do not apply in cases where the rear lot line of the industrial lot abuts a railroad right-of-way.
7. Permitted residential uses in Business and Industrial Districts must meet the same yard, area, and lot dimensions as required in the “R-2” District. Permitted business uses in Industrial Districts must meet the same yard, area, and lot dimensions as required in the “B” District.

**Note:**
In the Mobile Home Park and Subdivision District, the dimensions and area requirements shall comply with at least the minimum standards of the Ohio State Health Department and the Clermont County Board of Health. Mobile Home Subdivisions shall comply with the same dimensions and area requirements as would be required of a single-family residence in the “R-2” District.
ARTICLE VI
SIGNS

SECTION 1. Purpose. The regulations set forth in this RESOLUTION pertaining to signs are intended to:

a. Encourage the effective use of signs as a means of communication for businesses, organizations, and individuals in Ohio Township;

b. Maintain and enhance the aesthetic environment and the Township’s ability to attract sources of economic development and growth;

c. Provide a means of way-finding in the community, thus reducing traffic confusion and congestion;

d. Provide for adequate business identification, advertising, and communication;

e. Prohibit signs of such excessive size and number that they obscure one other to detriment of the economic and social well-being of the Township;

f. Protect the health, safety, and welfare of the public by minimizing the hazards to pedestrian and vehicular traffic;

g. Differentiate among those signs that, because of their location, may distract drivers on public streets from those signs that may provide information to them while they remain in their cars by out of active traffic;

h. Minimize the possible adverse effects of signs on nearby public and private property;

i. Prohibit most signs with commercial messages in residence zoning districts, while allowing those commercial messages that relate to commercial activities lawfully conducted on individual properties within such districts; and

j. Provide broadly for the expression of individual opinions through the use of signs on property,

SECTION 2. Applicability
A. The regulations contained with this Article shall apply to signs and to all zoning districts

B. Unless otherwise provided by the Article, all signs shall require a Zoning Certificate and a payment of fees. No Zoning Certificate is required for the maintenance of a sign or for a change of copy on painted, printed, or changeable copy signs.

SECTION 3. Compliance Required

A. It shall hereafter be unlawful for any person to erect, place, or maintain a sign in the Township except in accordance with the provisions of these regulations.

B. All wiring, fittings, and material used in the construction, connection, and operation of electrically illuminated signs shall be in accordance with the provisions of the local electrical code in effect.

C. No sign of any classification shall be installed erected, or attached to a structure in any form, shape, or manner that is in violation of Clermont County’s or Ohio’s building or fire codes.

SECTION 4. Computations. The following principals shall control the computation of sign area and sign height,

A. The area of a sign face, which is also the sign area of a wall sign or other sign with only one face, shall be computed by means of the smallest square, circle, rectangle, triangle, or combination thereof that shall encompass the extreme limits of the writing, representation, emblem, or other display, together with any material or color that is an integral part of the background of the display or used to differentiate the sign from the backdrop or structure against which it is placed. This does not include any supporting framework, bracing, or decorative fence or wall when such fence or wall otherwise meets Zoning RESOLUTION regulations and is clearly incidental to the display itself.
B. The height of a sign shall be computed as the distance from the base of the sign at normal grade to the top of the highest attached component of the sign.

C. The area for a sign with more than one face (multi-faced signs) shall be computed by adding together the area of all sign faces visible from any one point. See Figure 1.

D. When two identical sign faces are placed back-to-back, so that both faces cannot be viewed from any one point at the same time, and when such sign faces are part of the same sign structure and are not more than 24 inches apart, the sign area shall be computed by the measurement of one of the faces. See Figure 1.

E. When calculating street frontage, only the street frontage that lies in the unincorporated area of Ohio Township shall be used in the calculation.

Figure 1. Examples of Measuring Sign Area

SECTION 5. General Sign Standards. This Article shall apply to any sign that is visible from the public right-of-way or from property other than the property on which the sign is located; signs located entirely within buildings or other structures and/or otherwise not visible from the public right-of-way or from property on which the sign is located are exempt from this Article.
A. No sign shall be erected or maintained at any location where by reason of its position, working, illumination, shape, symbol, color, form, or may be confused with any authorized traffic sign, signal, or device, or interfere with, mislead, confuse, or disrupt traffic safety or flow.

B. No portion of a sign shall obscure visibility between a height of three and ten feet within a sight triangle consisting of the area bounded by the right-of-ways of the adjacent intersecting streets extending along those right-of-ways centerlines 30 feet from the point of right-of-way intersection, and a straight line connecting said latter points.

C. Signs incorporating any noisy mechanical device (whistles, horns, sirens, or any other noisy audible devises) are expressly prohibited.

D. Any illuminated sign or lighting device shall employ only light emitting a light of constant intensity. Flashing and moving signs are specifically prohibited, except that changeable copy signs on which the message is changed no more often than one time per minute shall not be considered flashing or moving signs. All wiring, fittings, and materials used in the sign shall be in accordance with the provisions of the electrical code in effect at the time of installation, modification, or repair of sign.

E. No sign or part thereof shall contain or consist of banners, posters, pennants, ribbons, streamers, spinners, or other similar moving devices. Such devices, as well as strings of lights, shall not be used for the purpose of advertising or attracting attention.

F. Should any sign be or become unsafe or be in danger of falling, the property owner shall be responsible for putting the sign in a safe and secure position or removing the sign.

G. Signs shall not be attached to trees, utility poles, rocks, fences, or streetlights, nor shall signs be placed on any public property except in accordance with this Article.
H. No person may, for the purpose of increasing or enhancing the visibility of any sign, damage, trim, destroy, or remove any trees, shrubs, or other vegetation within any right-of-way (unless express written authorization is obtained from the agency having jurisdiction over the right-of-way) or on any area where landscaping is required by Township regulations.

I. The light from any illuminated sign or from any light source shall be so shaded, shielded, or directed that the light intensity or brightness shall not adversely affect surroundings or facing residential districts, or adversely affect the safe vision and operation of vehicles moving on public or private roads, highways, or parking areas. Light shall not directly shine or reflect on or into residential structures.

J. All buildings shall have a sign providing the numeric address for identification purposes to assist fire and safety protection. Such signs shall not require a Zoning Certificate, but shall otherwise conform to the standards of this Article and shall be subject to the standards of Section 8 B.

K. Signs on Awnings, Canopies, Fascia, or Marquees

1. Awnings, canopies, fascia, or marquees shall be designated as permanent parts of the building and shall meet all the requirements of all applicable building and electrical codes.

2. Unless otherwise provided in this Article, the sign area of the awning, canopy, fascia, or marquee shall be included as part of the wall sign area calculation.

3. In cases where the awning, canopy, fascia, or marquee is constructed of translucent material, is illuminated from within or behind structure, and contains sign copy, the entire area of the structure shall be calculated in determining the sign area.

4. Such signs shall be permitted to extend into the public right-of-way over a sidewalk but shall be required to provide a clearance of eight feet between the sidewalk and the sign. Such sign shall not extend above the roof line.

L. Wall signs shall not project more than 18 inches as measured from the face of the building to the front of the sign.

M. Signs in a Planned Unit Development (PUD)

Signs for residential uses in a PUD shall comply with the standards of Section 9 of this Article, and signs for business uses in a PUD shall comply
with the standards of Section 10 of this Article, unless an alternate sign plan is approved as part of the PUD review and approval process.

SECTION 6: Prohibited Signs. The following types of signs are prohibited in all districts:

A. Signs in any public right-of-way, except:
   1. Signs owned by the Township, Clermont County, State of Ohio, or the federal government;
   2. Freestanding signs as expressly permitted in the right-of-way permitted in Sections 9 or 10;
   3. Signs installed by public utilities in their rights-of-way or on their facilities and bearing no commercial message other than such message is necessary to identify the use;
   4. Signs installed by a transit company with a franchise or other right to operate in Clermont County, where such signs are installed along its routes and relate to schedules or other information about the transit route.

B. Abandoned On-Premises Signs
   1. Any on-premises sign now or hereafter existing that no longer advertises a bona fide business conducted on the premises or a product sold on the premises for a period of six months shall be deemed abandoned.
   2. Such a sign shall be taken down and removed by the owner, agent, or person having the beneficial use of the building or structure upon which the sign may be found within 30 days after notification to the owner from the ZONING ADMINISTRATOR.
   3. All signs shall be in conformance with Section 13 regarding the maintenance of signs.

C. Any sign that contains or consists of banners, posters, pennants, ribbons, streamers, spinners, or other similar moving devices for the purpose of advertising or attracting attention;

D. Signs that consist of lights that revolve or flash are prohibited in all districts with the exception of electronic information signs;

E. Air-activated graphics or balloons bearing a message except where otherwise permitted in this Article;
F. Any sign that rotates, revolves, or otherwise moves unless otherwise expressly permitted under this Article;

G. Signs placed on vehicles or trailers that are parked or located for the primary purpose of displaying such signs. This does not apply to portable signs or lettering on buses, taxis, or vehicles operating during the normal course of business;

H. Signs imitating or resembling official traffic or governmental signs or signals;

I. Portable signs or daisy signs provided that portable signs or daisy signs placed on a site after the effective date of this Article shall be removed by the owner, agent, or person having the beneficial use of the sign within 30 days after notification to the owner from the ZONING ADMINISTRATOR.

J. Snipe signs;

K. Graffiti; or

L. Roof signs.

SECTION 7: Signs Partially Exempt from this Article

A. Scope of Partial Exemption

1. Signs listed in this Section shall be exempt from the permit requirements of this Article but shall, to the maximum extent allowed by law, be subject to the other standards of this Article.

2. Where a sign is erected pursuant to a statute or a court order, the sign may exceed the size standards of this Article or otherwise deviate from the standards set forth in this Article to the extent that the stature or court order expressly required the larger size or other deviation.

3. In all other respects, such signs shall conform to the standards of this Article.

B. This Section shall apply to the following types of signs:

1. Signs bearing no commercial message and installed by employees or officials of a state or federal agency in the course of their governmental duties;

2. Signs required by a state or federal statute;

3. Signs required by an order of a court of competent jurisdiction;
4. Signs installed by public utilities in their rights-of-way or on their facilities and bearing no commercial message other than such message is necessary to identify the use;
5. Signs installed by a transit company with a franchise or other right to operate in Clermont County, where such signs are installed along its routes and relate to schedules or other information about the transit route.

SECTION 8: Signs or Changes Not Requiring a Zoning Certificate

A. The following sign types shall be exempted from permit requirements but shall be in conformance with all other requirements of this Article:

1. Commemorative plaques placed by recognized historical agencies; such a sign shall bear no commercial message unless it meets all the standards for a sign bearing a commercial message at that location;
2. One wall sign, not to exceed two square feet in area, for each dwelling unit. Such sign shall not contain any commercial message. If lighted, such sign may be lit with indirect illumination only;
3. One permanent freestanding sign on a lot that is used for agriculture, which are exempt from Township Zoning Regulations pursuant to Section 519.21 of the Ohio Revised Code. Such sign may bear a commercial message related to products or services available on the premises or a message other than a commercial message. It shall be set back a minimum of fifteen (15) feet from all right-of-ways, shall not exceed thirty-two (32) square feet in area, and shall not exceed six (6) feet in height.
4. Window signs not to exceed fifty percent (50%) of window surface. The window signs shall be so located as to allow clear visibility into the building for the purposes of fire and police protection.
5. Routine maintenance of any sign, not involving structural changes to the sign;
6. Changes of message, either manually or electronically, on a message board or reader board, subject to limitations in this Article on the frequency of changes of message; and
7. Changes of sign panels or letters that do not involve structural changes to the sign;
8. Signs installed by County employees or officials of Ohio Township in the course of their official duties and not falling under one of the broader exemptions of Section 7; and
9. Other signs conforming to the Manual of Uniform Traffic Control Devices and bearing no commercial message.

B. The following signs shall be exempt from the certificate requirements of this Article and shall not be considered in applying limitations on the number of signs permitted on a wall or a lot, but such signs shall be subject to the lighting, installation, height, setback, maintenance, and other standards set forth in this Article:
1. Detached signs smaller than two (2) square feet in area and containing no commercial message;
2. Any sign not legible from a public way or from private property other than the lot on which the sign is located; and
3. Any sign not legible from a public way or from private property other than the lot on which the sign is located; and
4. Any window sign that is not separately lighted or electrified.

SECTION 9: Permanent Signs Permitted in Residential Districts. The following permanent signs may be permitted in any residential zoning district and shall require a zoning certificate:

A. Up to two (2) permanent freestanding signs for any subdivision or multi-family dwelling in a residential zoning district, provided that the sign meets the following requirements:
1. The signs may be permitted at each development entrance along a township, county, or state road;
2. The signs shall be ground mounted;
3. The signs shall be setback fifteen (15) feet from the public right-of-way and ten (10) feet from any adjacent property lines;
4. Each sign may have a maximum sign area of twenty-four (24) square feet, not including any fence or wall on which the sign is located;
5. No such sign or any portion of the structure shall exceed six (6) feet in
   height;
6. No such sign shall bear a commercial message; and
7. The sign may only be illuminated through external lighting.

B. One permanent freestanding sign for any public or institutional use in a
   residential zoning district, provided that the sign meets the following
   requirements:
   1. The sign shall be a ground-mounted sign;
   2. The sign shall be set back ten (10) feet from the public right-of-way and
      twenty (20) feet from any adjacent property lines;
   3. The maximum sign area shall be forty-eight (48) square feet;
   4. The sign may include a changeable copy sign, provided that it does not
      comprise more than twenty percent (20%) of the total sign area;
   5. No such sign or any portion of the structure shall exceed eight (8) feet in
      height;
   6. No such sign shall bear a commercial message; and
   7. The sign may only be illuminated through external lighting.

SECTION 10. Permanent Signs Permitted in Business and Industrial Districts.
The following signs may be permitted in any business or industrial zoning district
provided that no such sign shall bear an off-premise commercial message, and
each such sign shall require a zoning certificate:

A. Pole signs or Ground-Mounted Signs
   Each parcel, lot, or site in a business or industrial district shall be permitted
to have either one pole-mounted sign or up to two (2) ground-mounted
   signs that comply with the following provisions:
   1. One pole-mounted sign is permitted on each parcel or lot as follows:
      a) The sign shall be set back ten (10) feet from the right-of-way;
      b) The maximum sign height shall be twenty (20) feet;
      c) The maximum permitted sign area shall be the equivalent to one (1)
         square foot of sign area for each one hundred (100) square feet; and
d) Where a lot is a corner lot, double frontage lot, or is of another configuration with multiple street frontages, the longest single street frontage shall be used to calculate the maximum sign area.

2. A property owner, applicant, or his/her agent may choose to have up to two (2) ground-mounted signs instead of a pole-mounted sign as permitted in subsection (A) above. Such ground-mounted sign(s) shall meet the following provisions:
   a) The sign shall be set back ten (10) feet from the right-of-way;
   b) The maximum sign height shall be ten (10) feet;
   c) The maximum permitted sign area shall be the equivalent to two (2) square feet of sign area for each lineal foot of street frontage with a maximum sign area of two hundred (200) square feet;
   d) The maximum sign area permitted for each ground-mounted sign shall be one hundred (100) square feet; and
   e) Where a lot is a corner lot, double frontage lot, or is of another configuration with multiple street frontages, the longest single street frontage shall be used to calculate the maximum sign area.

B. Wall Signs
   1. Each business or tenant within a business or industrial district shall be permitted one (1) wall sign for each side of the building that faces a public roadway.
   2. The maximum sign area of the wall sign for any single business or tenant shall be equivalent to 1.5 square feet per each lineal foot of building width or width of the portion of the building of which the business or tenant occupies.
   3. Wall signs shall not be mounted in such a way as to exceed the height of the structure.

C. Electronic Information Signs
   1. Lighted electronic information signs whose only movement is the periodic changing of information against a solid, colorless background shall be considered a changeable copy sign for the purpose of this Article.
   2. Bulbs with automatic dimmers and glare screens shall illuminate all such signs.
   3. Any sign under this Section shall meet all other zoning requirements.
D. Permanent driveway signs shall be permitted under the following provisions:

1. The sign shall be located within ten (10) feet of the intersection of a public street and a private driveway;
2. The sign shall not contain a commercial message;
3. One (1) sign may be permitted per individual driveway;
4. The sign may not exceed four (4) square feet in area; and
5. The sign height shall not exceed three (3) feet.

SECTION 11: Off-Premise Signs (Billboards)

A. Off-premise signs, also called billboards, shall be classified as a business use and be permitted in all districts zoned for industry, business, or trade, or lands used which are exempt from Township Zoning Regulations pursuant to Section 519.21 of the Ohio Revised Code.

B. No portion of any off-premise sign shall project over or encroach upon any public property or public right-of-way.

C. As a business, billboards shall be considered a principal use and shall be required to meet all setback and lot area requirements of the applicable zoning district.

D. No billboard shall be located within 1,500 feet of any other billboard in any direction.

E. Any illumination of an off-premise sign shall be of an indirect type and shall not face toward any residential area nor direct lighting in any direction other than toward the sign face itself.

F. The maximum sign area and minimum setback shall be as follows:

1. The maximum sign area for billboards on agricultural lands is thirty-two (32) square feet, with a minimum setback of fifteen (15) feet from the right-of-way.

2. Billboards in a business or industrial zoning district shall not have a sign area of more than one hundred (100) feet. Billboards in business and industrial districts shall be setback a minimum of one hundred (100) feet from all right-of-ways, except as required by the Ohio Department of Transportation, which may require greater setback distances along
primary highways. The maximum sign area for billboards in business and
industrial zoning districts may be increased to a maximum area of three
hundred (300) square feet, provided that for every two (2) square feet
of sign area over one hundred (100) square feet, such sign shall be
setback an additional one (1) foot from any right-of-way.

G. No billboard shall exceed thirty (30) feet in height as measured from the
grade of the road adjacent to the billboard.

H. A billboard sign may contain two (2) signs oriented back-to-back, or V-type
with an angle not to exceed thirty-five (35) degrees, provided that the total
area of the sign faces oriented in any one direction shall not exceed the
maximum size provisions of subsection (F) above.

SECTION 12: Temporary Signs

A. General Definitions Related to Temporary Signs
   1. Temporary signs shall be defined in this Article and may include, but
      are not limited to, political signs, real estate signs, and special events.
   2. Temporary signs with a commercial message include, but are not limited
      to, real estate signs, signs that reference the sale of items or other
      business-related activities, or signs that include text classified as a
      commercial message.
   3. Temporary signs that do not contain a commercial message include, but
      are not limited to, political signs and any other sign with text that is not
      classified as a commercial message.

B. Standards That Apply to All Temporary Signs
   1. No temporary sign shall be mounted, attached, affixed, installed, or
      otherwise secured by any permanent means to any building, permanent
      sign, or other structure or improvement, or to the ground upon which it
      is erected.
   2. No temporary sign shall be mounted, attached, affixed, installed, or
      otherwise secured so as to protrude above the roof of a structure.
   3. No temporary sign shall be illuminated by anything other than non-
      reflected daylight, except by variance issued by the Board of Zoning
      Appeals.
4. Temporary signs shall be set back a minimum of ten (10) feet from the edge of street pavement or the edge of a street right-of-way, whichever is the greater setback.

C. Permitted Temporary Signs in a Residential Zoning District

1. Up to two (2) of the permitted temporary signs may contain a commercial message. Such signs with commercial messages shall be limited to six (6) square feet or less in sign area and shall not exceed four (4) feet in height.

2. Temporary signs shall be set back a minimum of ten (10) feet from the street pavement and shall not be permitted within thirty five (35) feet of pavement of any intersection.

3. As an accessory use to the permitted temporary commercial activity of land development, one (1) temporary sign with a maximum sign area of thirty two (32) square feet and a maximum height of six (6) feet may be permitted during the development of a subdivision or for the construction of a nonresidential use. Such sign shall require a Zoning Certificate and fee and may be maintained for the following periods of time:
   a) A period not to exceed two (2) years; or
   b) Until a permitted permanent sign identifying the subdivision or multi-family building is installed; or
   c) Until twenty (20) days following the completion of construction of the last dwelling unit.

D. Permitted Temporary Signs in Business or Industrial Districts

This section addresses permitted temporary signs in a business or industrial zoning district.

1. Up to two (2) of the permitted temporary signs may contain a commercial message. Such signs with commercial messages shall be limited to twenty four (24) square feet in sign area and shall not exceed six (6) feet in height.

2. Temporary signs shall be set back a minimum of fifteen (15) feet from the street pavement and shall not be permitted within thirty five (35) feet of the pavement of any intersection.
3. Temporary signs greater than twenty four (24) square feet in area, with a commercial message, may be permitted under the following provisions:
   a) The owner of the property where the sign will be located applies for and receives a Zoning Certificate for the sign;
   b) There shall be a limit of one (1) sign per premises, and such sign shall not exceed thirty two (32) square feet per side, with a maximum of two (2) sides;
   c) The sign shall not be illuminated unless authorized by the Board of Zoning Appeals through the variance process; and
   d) A temporary sign permitted under this section may be permitted for a period of thirty (30) days per Zoning Certificate, and not to exceed sixty (60) days per year.

4. The maximum height of temporary signs shall not exceed the maximum allowable height for a permanent freestanding sign in the district in which the property is located.

E. Temporary Signs for Public or Institutional Uses
   1. Public or institutional uses shall be permitted to utilize temporary signs pursuant to this section, provided the sign meets the following provisions:
      a) The temporary sign does not include a commercial message;
      b) The sign shall not exceed thirty six (36) square feet in area for any one side;
      c) The sign shall not exceed eight (8) feet in height; and
      d) Up to one (1) sign shall be permitted for a period of thirty (30) days and shall not exceed ninety (90) days per year.

SECTION 13: Maintenance

A. All signs as herein permitted shall be constructed and maintained and illuminated in a safe manner, comply with applicable codes, and be kept in good repair.
   1. Signs shall be free from rust, dust, dirt, and other such debris.
   2. Exposed surfaces shall be clean and painted, if paint is required.
3. Defective parts shall be replaced.

4. The Zoning Administrator shall have the right to order the repair or removal of any sign that is defective, damaged, or substantially deteriorated. Such sign shall be repaired or removed by the owner, agent, or person having the beneficial use of the sign within thirty (30) days after notification to the owner from the Zoning Administrator.

B. Should any sign be or become unsafe or be in danger of falling, the owner, tenant, or lessee shall, upon receipt of written notice from the Zoning Administrator, proceed at once to correct the unsafe condition and/or remove the sign in question.

C. Signs shall not be constructed, maintained and/or illuminated in such a manner as to create or allow the obstruction of vision for drivers, pedestrians, or the general public, or create a fire or safety hazard. Signs shall be subject to the vision clearance regulations of this Resolution.

SECTION 14: Nonconforming Signs

A. Determination of Legal Nonconformity

1. Existing signs that do not conform to the specific provisions of this Article may be eligible for the designation of a “legal nonconforming sign”, provided that they are not in violation of either of the following:
   a) The Zoning Administrator determines that such signs are properly maintained and do not in any way endanger the public or constitute a nuisance, and/or;
   b) The sign was covered by a valid permit or variance, or complies with all applicable laws on the effective date of this Resolution.

2. Portable signs shall not be designated a legal nonconforming sign and shall be removed within one hundred and twenty (120) days of the effective date of this Resolution. Portable signs altered to be made non-portable shall still be considered to be portable.

B. Loss of Legal Nonconforming Status

1. The sign is relocated;

2. The sign structure is replaced;
3. The structure or size of the sign is altered in any way except toward compliance with this Article. This does not refer to general maintenance, changeable marquees, or face and copy changes; or

4. The sign is part of an establishment that discontinues its cooperation for a period of two (2) years.

C. Maintenance and Repair of Nonconforming Signs. The legal nonconforming sign is subject to all requirements of this article regarding safety, maintenance, and repair. However, if the sign suffers damage to an extent greater than sixty percent (60%) of the estimated replacement value, unless such damage was caused by vandalism or an act of God or other cause outside the influence of the owner or user, such sign shall be reconstructed in compliance with this Article.

SECTION 15: Rules of Construction and Interpretation

A. General Rules of Construction

1. Unless the term of a specific provision state otherwise (e.g., some provisions specify “business days”), periods of time defined by a number of days shall mean a number of consecutive calendar days, including all weekend days, holidays, and other non-business/working days; however, if the last day is Saturday, Sunday, or legal holiday, that day shall be excluded.

2. The word “shall” is always mandatory, and words “may” or “should” are always permissive.

3. Unless the context clearly suggests the contrary, conjunctions shall be interpreted as follows:
   a) “And” indicated that all connected items, conditions, provisions, or events shall apply; and
   b) “Or” indicates that one or more of the connected items, conditions, provisions, or events shall apply.

4. For the purpose of this Resolution, words and phrases shall have the meanings set forth in this Article.
5. Words and phrases not otherwise defined in this Resolution shall be construed according to the common and approved usage of American English.

B. Definitions

1. Commercial Message. Any sign, wording, logo, or other representation that, directly or indirectly, names, advertises, or calls attention to a business, product, service, or other commercial activity.

2. Institutional Use. A school, religious institution, or other use operated by a public agency or non-profit organization and permitted as a use in one (1) or more Residential Zoning Districts in the Township. A daycare facility shall be considered an institution regardless of ownership or operation.

3. Legible. As related to signs, means that a message can be comprehended by a person with eyesight adequate to obtain a current Ohio driver’s license standing in the public way or other location from which legibility is to be determined. Where such facts are material, it shall be presumed that the observation takes place in daylight hours and that the person making the observation is standing and is between five feet two inches (5’2”) tall and six feet (6’) tall.

4. Message, Off-Premise. An off-premise message means copy relating only to a commercial business, product, service, or activity conducted or offered at a location other than the lot or parcel of record on which the sign is located.

5. Pennant. Any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, suspended from a rope, wire, or string, usually in series, designed to move in the wind.

6. Sign shall mean any medium, including its structure, words, letters, figures, numerals, phrases, sentences, emblems, devices, designs, trade names, or trademarks by which anything is made known and which are used to advertise or promote an individual, firm, association, corporation, profession, business, commodity, or product, and which is visible from any public street or highway.

7. Sign, Abandoned shall mean a sign which no longer identifies or advertises a bona fide business, lessor, service, owner, product, or activity and/or for which no legal owner can be found.
8. Sign, Awning shall mean a sign painted on, printed on, or permanently attached flat against the surface of a canopy, marquee, or awning.

9. Sign, Banner. A sign made of canvas or other approved flexible materials with or without a structural frame and attached to a building, canopy, pole, or other structure.

10. Sign, Bench shall mean a sign located on the seat or back of a bench or seat placed on or adjacent to a public right-of-way.

12. Sign, Electronic Information shall mean a sign whose alphabetic, pictographic, or symbolic information content can be changed or altered on a fixed display surface composed of electrically illuminated or mechanically-driven changeable segments.

13. Sign, Ground Mounted shall mean any sign placed upon or supported by the ground independent of any other structure.

14. Sign, Institutional. A sign identifying or advertising an institutional or business use permitted in a residential district, where such sign is located on the same premises as such use.

16. Sign, Nonconforming shall mean a sign that is erected legally but which does not comply with subsequently enacted sign restrictions and regulation. A nonconforming sign is also a sign that does not conform to the sign resolution requirements but for which a special permit has been issued.

17. Sign, Outdoor Advertising or Billboard. A sign containing an off-premise commercial message at any time.

18. Sign, Pole-Mounted shall mean a sign that is mounted on a freestanding pole or other support so that the bottom of the sign copy area is five (5) feet or more above grade.

19. Sign, Portable/Daisy shall mean a sign not affixed to the ground, building, or other structure, which may be moved from place to place, including but not limited to, signs designed to be transported by means of wheels, menu and sandwich board signs, and signs attached to or painted on a vehicle parked and visible from the public right-of-way, unless such vehicle is used in the day-to-day operations of a business.
20. Sign, Projecting shall mean a sign that is wholly or partly dependent upon a building for support and which projects more than twelve (12) inches from the wall of such building.

21. Sign, Roof shall mean a sign that is mounted on the roof of a building or which is wholly dependent upon building for support and which projects above the point of a building with a flat roof, the eaves line of a building with a gambrel, gable, or hip roof, or the deck line of a building with a mansard roof.

22. Sign, Snipe shall mean a sign that is tacked, nailed, posted, pasted, glued, or otherwise attached to trees, poles, stakes, fences, or to other objects.

23. Sign, Temporary shall mean a nonpermanent sign erected, affixed, and maintained on a premises for a short, usually fixed, period of time.

24. Sign, Wall shall mean a sign fastened to or painted on the wall of a building or structure in such a manner that the wall becomes the supporting structure for, or forms the background surface of the sign and which does not project more than twelve (12) inches from such building or structure.

25. Sign, Window shall mean a sign that is applied or attached to the exterior or interior of a window or located in such manner within the building that it can readily be seen from the exterior of the building through a window.

26. Sign, Area shall mean the entire area of the sign as measured according to Section 4.

27. Sign, Copy shall mean any graphic, word numeral, symbol, insignia, text, sample, model, devise, or combination thereof which is primarily intended to advertise, identify, or notify.

28. Sign, Copy Changes or Message Changes shall mean the ability to modify or change displays, words, lines, logos, or symbols on a sign to provide different information. Changeable copy signs include computer signs, reader boards with changeable letters, and time and temperature units.

29. Sign, Face shall mean the area or display surface used for the message.

30. Sign, Height. The vertical distance measured from the lowest adjacent grade to the highest point of the sign or sign structure.
31. Street Frontage. The distance for which a lot line of a zone lot adjoins a public street from one lot line intersecting said street to the furthest distant lot line intersecting the same street
ARTICLE VII

ENFORCEMENT

SECTION 1. Zoning Inspector
A. For the purpose of enforcing the zoning regulations, the Board of Township Trustees may provide a system of zoning certificates, and for this purpose may establish and fill the position of Township Zoning Inspector, together with such assistants as the Board deems necessary, fix the compensation for such positions, and make disbursements for them.
B. It shall be the duty of the Zoning Inspector, who shall be appointed by the Ohio Township Board of Trustees, to enforce this Resolution. It shall also be the duty of all officials and employees of the Township to assist the Zoning Inspector by reporting to him all new construction, reconstruction, or land uses, or any possible zoning violations.
C. Appeal from the decision of the Zoning Inspector may be made to the Board of Zoning Appeals, as provided in ARTICLE VII, SECTION 2.

SECTION 2. Filing Plans: Every applicant for a zoning certificate shall be accompanied by a dimensioned sketch or scale plan indicating the shape, height, and location in exact relation to all property lines and to street lines of all buildings or structures to be erected, altered, or moved, and of any building or structures already on the lot.

SECTION 3. Zoning Certificate
A. It shall be unlawful for an owner to use or to permit the use of any structure, building, or land, or part thereof, hereafter erected, created, changed, converted, or enlarged, wholly or partly, until a Zoning Certificate shall show that such building or premises or a part thereof, and the proposed use thereof are in conformity with the provisions of this RESOLUTION. No permit for excavation of construction shall be issued by
the ZONING INSPECTOR unless plans, specification, and the intended use
conforms to the provisions of this RESOLUTION.

B. Under written request from the owner or tenant, the ZONING INSPECTOR
shall issue a ZONING CERTIFICATE for any building or premises existing at
the time of enactment of this RESOLUTION certifying, after inspection, the
extent and kind of use made of the building or premises and whether such
use conforms to the provisions of this RESOLUTION.

SECTION 4. Conditions Under Which Certificates Are Required. A ZONING
CERTIFICATE shall be required for any of the following, except as herein provided:

A. Construction or structural alteration of any building, including accessory
buildings, but excluding any agricultural building.
B. Change in use of an existing building or accessory building to a use of a
different classification, excluding changing to any agricultural uses.
C. Occupancy and use of vacant land, excluding agricultural land.
D. Change in the use of land to a use of a different classification.
E. Any change in the use of a non-conforming use.

SECTION 5. Application and Issuance of ZONING CERTIFICATES (Amended June
13, 2005)

A. Written application for a ZONING CERTIFICATE for the construction of a
new building or for the structural alteration wherein the outside
dimensions of an existing building are changed shall be made at the same
time as the application for a Clermont County Building Permit. Said
certificate shall be issued within ten (10) days after a written request for
the same has been made to the ZONING INSPECTOR or his agent, provided
such construction or alteration is in conformity with the provisions of this
RESOLUTION.

B. Written application for a ZONING CERTIFICATE for the use of vacant land,
or for a change in the use of land or of a building, for a change in a non-
conforming use, as herein provided, shall be made to the ZONING
INSPECTOR; if the proposed use is in conformity with the provisions of this
RESOLUTION, the certificate shall be issued within fifteen (15) days after the application has been made.

C. A fee, in accordance with a schedule of amounts set by the Township, shall accompany each application for a ZONING CERTIFICATE:

SECTION 6. ZONING CERTIFICATES for Non-conforming Uses. A ZONING CERTIFICATE shall be required for all lawful non-conforming uses of land or buildings created by adoption of this RESOLUTION. Application for such certificate for a non-conforming use shall be filed with the ZONING INSPECTOR by the owner or lessee of the building or land occupied by each non-conforming use within one (1) year of the effective date of this RESOLUTION. It shall be the duty of the ZONING INSPECTOR to issue a certificate for a lawful non-conforming use. There will be no fee for a certificate on non-conforming use.

SECTION 7. Violations and Penalties. It shall be unlawful to locate, erect, construct, reconstruct, enlarge, change, maintain, or use any building or land in violation of any regulation in or any provisions of this RESOLUTION, or any amendment or supplement thereto adopted by the Trustees of Ohio Township. Any person, firm or corporation violating any regulation in or any provision of this RESOLUTION, or any amendment or supplement thereto, shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than five hundred (500) dollars. Each and every day during which such illegal location, erection, construction, reconstruction, enlargement, change, maintenance, or use continues may be deemed a separate offense.
SECTION 8. **Violations – Remedies.** In case any building is or is proposed to be located, erected, constructed, reconstructed, enlarged, changed, maintained, or used, or any land is or is proposed to be used in violation of this RESOLUTION or any amendment or supplement thereto, the ZONING INSPECTOR, the COUNTY PROSECUTOR, or any adjacent or neighboring property owner who would be specially damaged by such violation, in addition to other remedies provided by law, may institute injunctions, mandamus, abatement, or any other appropriate action, actions, proceeding or proceeding to prevent, enjoin, abate, or remove such unlawful location, erection, construction, enlargement, change, maintenance, or use.
ARTICLE VIII

BOARD OF ZONING APPEALS

SECTION 1. Organization and Procedures

A. Appointment

A Township Board of Zoning Appeals is hereby created. The Board shall consist of five (5) members, to be appointed by the Ohio Township Trustees. Members shall be residents of Ohio Township, Clermont County, Ohio. The terms of all members shall be of such length and so arranged that the term of one (1) member will expire each year. Each member shall serve until his successor is appointed and qualified. Members of the Board shall be removed for non-performance of duty, misconduct in office, or other cause, by the Trustees, upon written charges having been filed with the Trustees, and after a public hearing has been held regarding such charges, a copy of the charge having been served upon the member so charged at least ten (10) days prior to the hearing, either personally or by registered mail, or by leaving the same at his usual place of residence. The members shall be given an opportunity to heard and answer such charges. Vacancies shall be filled by the Trustees and shall be for the unexpired term.

B. Organization and Procedure

The Board shall organize and adopt rules for its own government not inconsistent with law or with any other Resolutions of the Township.

1. Meetings of the Board of Zoning Appeals shall be held at the call of the Chairman and at such other times as the Board may determine. The Chairman, or in his absence the Acting Chairman, may administer oaths, and the Board of Zoning Appeals may compel the attendance of witnesses. All meetings shall be open to the public. The Board shall keep MINUTES of its proceedings showing the vote, indicating such fact and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the Office of the Fiscal Officer and shall be a public record.

2. Quorum: Three (3) members of the Board of Zoning Appeals shall constitute a quorum. The Board shall act by RESOLUTION, and the
concurring vote of three (3) members of the Board shall be necessary to
reverse any order or determination of the ZONING INSPECTOR, or to
decide in favor of an applicant in any matter of which the Board has
original jurisdiction under this RESOLUTION, or to grant any variance
from the requirements stipulated in this RESOLUTION.

SECTION 2. Application and Appeals

A. Applications

An Application, in cases in which the Board of Zoning Appeals has original
jurisdiction under the provisions of this RESOLUTION, may be taken by any
property owner, including a tenant, or by a governmental officer,
department board, or bureau. Such application shall be filed with the
ZONING INSPECTOR, who shall transmit same to the Board.

B. Appeals

1. An appeal to the Board may be taken by any person aggrieved or by an
officer of the Township affected by any decision of the ZONING
INSPECTOR. Such appeal shall be taken within twenty (20) days after the
decision, by filing with the ZONING INSPECTOR and with the Board, a
notice of appeal specifying the grounds thereof. The ZONING INSPECTOR
shall forthwith transmit to the Board all the papers constituting the
record upon which the action appealed from was taken.

2. An appeal shall stay all proceedings in furtherance of the action
appealed from, unless the ZONING INSPECTOR shall certify to the Board
of Zoning Appeals after the notice of appeal shall have been filed with it
that by reason of facts stated in the certificate, a stay would, in his
opinion, cause imminent peril to life or property, in which case
proceedings shall not be stayed otherwise than by a restraining order,
which may be granted by the Board or by a court of equity, after notice
of the officer from whom the appeal is taken and on due cause shown.

3. The Board of Zoning Appeals may in conformity with the provisions of
this Article reverse or affirm, wholly or partly, or may modify the order,
requirement, decision, or determination as in its opinion ought to be
made in the premises, and to that end, shall have all powers of the 
ZONING INSPECTOR from whom the appeal is taken.

SECTION 3. Hearings

A. The Board of Zoning Appeals shall fix a reasonable time for the hearing of 
an appeal, give public notice thereof, and at least ten (10) days notice to 
parties in interest, and decide upon the appeal within a reasonable time 
after it is submitted. Each application or notice of appeal shall be 
accompanied by the fee of $250.00 payable to OHIO TOWNSHIP, which will 
be credited to the Ohio Township Zoning Fund, herein specified. At this 
hearing, any party may appear in person or by attorney.

B. The hearing of the Board of Zoning Appeals shall be public. However, the 
Board may go into executive session for discussion, but not for vote on any 
case before it.

C. Upon the day for hearing any application or appeal, The Board may adjourn 
the hearing in order to permit the obtaining of additional information or to 
cause such further notice as it deems proper to be served upon such other 
property owners as it decides may be substantially interested in said 
application or appeal. In the case of an adjourned hearing, persons 
previously notified and persons already heard need not be notified of the 
time of resumption of said hearing unless the Board so decides.

SECTION 4. Decision of the Board

A. The Board shall decide all applications and appeals within thirty (30) days 
after the final hearing thereon.

B. A certified copy of the Board’s decision shall be transmitted to all parties in 
interest. Such decision shall be binding upon the ZONING INSPECTOR and 
observed by him, and he shall incorporate the terms and conditions of the 
same in the Zoning Certificate to the applicant or appellant whenever a 
permit is authorized by the Board.

C. A decision of the Board shall not become final until the expiration of the 
five (5) days from the date such decision is made, unless the Board shall
find the immediate taking effect of such decision is necessary for the preservation of property or personal rights and shall so certify on the record.

SECTION 5. Powers of the BOARD OF ZONING APPEALS

A. Conditional Uses and Exceptions

1. The Board shall have the power to hear and decide, in accordance with the provisions of this RESOLUTION, applications, files as hereinbefore provided, for conditional uses, special exceptions or for interpretation of the Zoning Map, or for decisions upon other special questions on which the Board is authorized by this RESOLUTION to pass. In considering an application for a conditional use, a special exception or interpretation of the Zoning Map, the Board shall give due regard to the nature and condition of all adjacent uses and structures, and in authorizing a conditional use or special exception, the Board may impose such requirements and conditions with respect to location, construction, maintenance, and operations – in addition to those expressly stipulated in this RESOLUTION for the particular conditional use or special exception – as the Board may deem necessary for the protection of adjacent properties and the public interest.

2. In addition to permitting the conditional uses and special exceptions hereinbefore specified, the Board shall have the power to permit the following conditional uses and special exceptions: Non-Commercial Recreation, Home Occupation, and Mobile, Modular, and Manufactured Housing.

B. Non-conforming Uses

1. The substitution for a non-conforming use existing at the time of enactment of this RESOLUTION, for another non-conforming use, if not structural alterations except those required by law or resolution are made.

2. The moving, reconstruction, extension, enlargement, or alteration of non-conforming buildings or structures upon the lot occupied by such buildings or structures or on an adjoining lot, providing that such lot was
under the same ownership as the lot in question at the time the use of
the building or premise became nonconforming, and that such changes
are necessary and incidental to such existing non-conforming uses;
provided that such reconstruction, extension, enlargement, or alteration
of existing non-conforming buildings or structures shall not create a
combined ground-floor expansion in excess of one hundred (100)
percent of that existing at the time of the use of such buildings or
structures became non-conforming, and provided that the expansion of
the land area devoted to a non-conforming use shall not exceed one
hundred (100) percent of the area so used at the time the use of the
premises became non-conforming, and provided be undertaken withinive (5) years of this RESOLUTION, and provided further that the
extension or enlargement shall not extend the useful life of a non-
conforming building or shall not violate the provisions of this
RESOLUTION with respect to any adjoining premises.

3. A non-conforming use of a building or portion thereof that is hereafter
discontinued for a continuous period of twelve (12) months shall not
again be used except in conformity with the regulations of the district in
which such building is located.

C. Extension of Use On Boarder of District
The extension of a use or building into a more restricted district
immediately adjacent thereto, but not more than twenty five (25) feet
beyond the dividing line of the two districts, under such conditions as will
safeguard development in the more restricted district.

D. Temporary Structures and Uses
The temporary use of a structure or premises in any district for purpose or
use that does not conform to the regulations prescribed elsewhere in this
RESOLUTION for the district in which it is located, provided that such use be
of a temporary nature and does not involve the erection of a substantial
structure. A ZONING CERTIFICATE for such use shall be granted in the form
of a temporary and revocable permit, for not more than a twelve (12)
month period, subject to such conditions as will safeguard the public
health, safety, convenience, and general welfare.

E. Interpretations of District Map
Where the street or lot layout actually on the ground, or as recorded,
differs from the street and lot lines as shown on the ZONING MAP, the
Board, after notice to the owners of the property and after public hearing
shall interpret the map in such a way as to carry out the intent and purpose
of this RESOLUTION. In case of any question as to the location of any
boundary line between zoning districts, a request for interpretation of the
ZONING MAP may be made to the Board and a determination shall be
made by said Board.

F. Administration Review and Variances

1. **Administrative Review:** The Board shall have the power to hear and
decide appeals, filed as herein provided, where it is alleged by the
appellant that there is error in any order requirement, decision, grant, 
or refusal made by the ZONING INSPECTOR or other official in the
interpretation or of the provisions of this RESOLUTION.

2. **Variances:** The Board shall have the power to authorize upon appeal in
specific cases, filed as herein provided, such variances from the
provisions or requirements of this RESOLUTION as will not be contrary
to the public interests, but only in such cases where, owing to special
conditions pertaining to a specific piece of property, the literal
enforcement of the provisions or requirements of this RESOLUTION
would cause undue unnecessary hardship.

3. Where, by reason of the exceptional narrowness, shallowness of
unusual shape of a specific piece of property on the effective date of this
RESOLUTION, or by reason of exceptional topographic conditions or
other extraordinary situation of condition of such piece of property, or
of the use or development of property immediately adjoining the piece
of property in question, the literal enforcement of the requirement of
this RESOLUTION would involve practical difficulties or would cause undue
hardship – necessary to carry out the spirit and purpose of this
RESOLUTION – the Board shall have power to authorize a variance from
such strict application, so as to relieve such hardship, and so that the
spirit and purpose of this RESOLUTION shall be observed and
substantial justice done. In authorizing a variance, the Board may attach
thereto such conditions regarding the location, character and other
features of the furtherance of the purpose of this RESOLUTION and in
the public interest. In authorizing a variance, with attached conditions, the Board shall require such evidence and guarantee or bond as it may deem to be necessary that the conditions attached are being, and will be, complied with.

4. No such variance in the provisions or requirements of this RESOLUTION shall be authorized by the Board unless the Board finds, beyond a reasonable doubt, that all the following facts and conditions exits:
   a) That there are exceptional or extraordinary circumstances or conditions applying to the property in question, or to the intended use of the property that do not apply generally to the other properties or classes of uses in the same Zoning District.
   b) That such variance is necessary for the preservation and enjoyment of substantial property rights, possessed by other properties in the same Zoning District and in the same Vicinity.
   c) That the authorizing of such variance will not be of substantial detriment to adjacent property and will not materially impair the purposes of this RESOLUTION or the public interest.

5. No grant of a variance shall be authorized unless the Board specifically finds that the condition or situation of the specific piece of property of the intended use of said property for which variance is sought – one or the other or in combination – is not of so general or recurrent a nature as to make reasonably practicable the formulation of a general regulation for such conditions or situations.

6. **General:** In exercising its power, the Board may, in conformity with the provisions of the State Statures and of this RESOLUTION, reverse or affirm wholly or partly, or may modify the order, requirement, decision, or determination appealed from, and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all powers of the office from whom the appeal is taken.
ARTICLE IX

INTERPRETATION, PURPOSE, AND CONFLICT

SECTION 1. In interpreting and applying the provisions of this RESOLUTION, they shall be held to the minimum requirements for the promotion of the public safety, health, convenience, comfort, morals, prosperity, and general welfare. It is not intended by this RESOLUTION to interfere with or abrogate or annul any resolution, rules, regulations, or permits previously adopted or issued, and not in conflict with any of the provisions of this RESOLUTION, or which shall be adopted or issued, pursuant to law relating to the use of buildings or premises and likewise not in conflict with this RESOLUTION, nor is it intended by this RESOLUTION to interfere or abrogate, annul any easements, covenants, or other agreements between parties; provided, however, that where this RESOLUTION imposes a greater restriction upon the use of buildings or premises or upon height of buildings or requires larger open spaces or larger lot area than are imposed or required by such other resolution or agreements, the provisions of this RESOLUTION shall control.
ARTICLE X

DISTRICT CHANGES AND RESOLUTION AMENDMENTS

SECTION 1. Initiation of Amendments or Supplements. Amendments or supplements to the ZONING RESOLUTION may be initiated by motion of the Township Zoning Commission by the passage of a resolution therefore by the Board of Township Trustees or by the filing of an application therefor by one or more of the owners or lessees of property within the area proposed to be changed or affected by the proposed amendment or supplement with the Township Zoning Commission. The Board of Township Trustees shall upon the passage of such resolution, certify it to the Township Zoning Commission.

SECTION 2. Application procedure for Change in Zoning Districts

A. Applications for any change of district boundaries or classifications of property as shown on the Zoning Map shall be submitted to the Commission, at its public office, upon such forms, and shall be accompanied by such date and information as may be prescribed for that purpose by the Commission, so as to assure the fullest practicable presentation of the facts for the permanent record. Each such application shall be verified by at least one of the owners or lessees of property within the area proposed to be reclassified attesting to the truth and correctness of all facts and information presented with the applications. Applications for amendments initiated by the Commission shall be accompanied by its motion pertaining to such proposed amendment.

B. Names and Addresses of Adjacent Property Owners

Any person or persons desiring a change in the zoning classification of property shall file, with the application for such change, a statement giving the names and addresses of the owners of all properties lying within two hundred (200) feet of any part of the property the zoning classification of which is proposed to be changed.
SECTION 3.  Public Hearing of Zoning Commission

A. Upon the adoption of a motion by the Zoning Commission, or the certification of a resolution by the Board of Township Trustees, or the filing of an application for an amendment or supplement, the Township Zoning Commission shall set a date for a public hearing thereon, which date shall not be less than twenty (20) nor more than forty (40) days from the date of the adoption of such motion for the certification of such resolution or the date of the filing of such application. Notice of such hearing shall be given by the Township Zoning Commission by one publication in one or more newspapers of general circulation in the Township at least fifteen (15) days before the filing of such hearing.

B. Written notice of the hearing shall be mailed by the Zoning Commission to all owners of property within and contiguous to the area proposed to be reclassified or redistricted by certified mail fifteen (15) days before such hearing to the addresses of such owners appearing on the current tax roll, list or duplicate of the county or to the addresses of the property. The failure of delivery of such notice shall not invalidate any amendment or supplement.

C. Submission of Amendments or Supplements to County Planning Commission

Within five (5) day after the adoption of a motion or the certification of a resolution or the filing of an application, the Township Zoning Commission shall transmit a copy thereof together with text and map pertaining to the County Planning Commission. The County Planning Commission shall recommend the approval or denial of the proposed amendment or supplement or the approval of some modification thereof and shall submit such recommendation to the Township Zoning Commission. Such recommendation shall be considered at the public hearing held by the Township Zoning Commission on such proposed amendment or supplement.

D. Action of Zoning Commission

The Township Zoning Commission shall, within thirty (30) days after its hearing, recommend the approval or denial of the proposed amendment or supplement, or the approval of some modification thereof and submit such
recommendation, the text and map pertaining thereto, and the recommendation of the County Planning Commission thereon to the Board of Township Trustees.

SECTION 4. Public Hearing of Township Trustees

A. The Board of Township Trustees shall, upon receipt of a recommendation from the Township Zoning Commission, set a time for a public hearing on such proposed amendment or supplement, which date shall not be more than thirty (30) days from the date of the receipt of such recommendation from the Township Zoning Commission. Notice of such public hearing shall be given by the Board by one publication in one or more newspapers of general circulation in the Township at least fifteen (15) days before the date of such hearing.

B. Written notice of the hearing shall be mailed by the Zoning Commission to all owners of property within and contiguous to the area proposed to be reclassified or redistricted by certified mail fifteen (15) days before such hearing to the addresses of such owners appearing on the current tax roll, list, or duplicate of the county or to the addresses of the property. The failure of delivery of such notice shall not invalidate any amendment or supplement.

SECTION 5. Action of Township Trustees. Within twenty (20) days after its public hearing, the Board shall either adopt or deny the recommendations of the Zoning Commission or adopt some modification thereof. In the event the Board denies or modifies the recommendation of the Township Zoning Commission, the unanimous vote of the Board shall be required.

SECTION 6. Effective Date and Referendum

A. An amendment or supplement adopted by the Board shall become effective in thirty (30) days after the date of such adoption unless within thirty (30) days after the adoption of the amendment or supplement there is presented to the Board of Township Trustees a petition signed by a
number of qualified voters residing in the unincorporated area of the
township or part thereof included in the Zoning Plan equal to not less than
eight (8) percent of the total vote cast for all candidates for governor in
such area at the last preceding general election at which a governor was
elected, requesting the Board of Township Trustees to submit the
amendment or supplement to the electors of such area for approval or
rejection at the next primary or general election.

B. No amendment or supplement for which a referendum vote has been
requested shall be put into effect unless a majority of the votes cast on the
issue is in favor of the amendment. Upon certification by the Board of
Elections that the amendment has been approved by the voters, it shall
take immediate effect.

SECTION 7. Application Fees. At the time that an application for a change of
Zoning District is filed with the Zoning Commission, as provided therein, there
shall be deposited with the Township treasurer the sum of three hundred ($300)
dollars as a fee to cover investigation, legal notices, and other expenses incidental
to the determination of such matter, such fee to be for one lot or part of one lot.
An additional fee of fifteen ($15) dollars shall be deposited for each additional lot
or part of an additional lot which may be included in the request, such additional
lot or part of a lot to adjacent to each other. Such sum so deposited shall be
credited by the Township Treasurer to the General Fund of the Township.
ARTICLE XI

VALIDITY

If any section, subsection, sentence, clause, or phrase of this RESOLUTION is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this RESOLUTION. All resolutions or parts of resolutions of Ohio Township, in conflict with any regulations, provisions, amendment, or supplement of this RESOLUTION, are to the extent of such conflict hereby repealed.
ARTICLE XI-A

PLANNED UNIT DEVELOPMENT DISTRICT

SECTION 1. Purpose. This Article is intended to permit the creation of Planned Unit Development Districts (PUDs) to encourage the efficient use of land and resources, promote greater efficiency in providing public and utility services, and to encourage innovation in the planning and building of all types of development. Such districts may be permitted as amendments to the Ohio Township Zoning Map, on application and approval of specific and detailed plans where tracts suitable in location and character for the uses and structures proposed are to be planned and developed. Regulations set forth in this Article are adopted to accommodate unified planning and development that are consistent with existing established land use patterns in Ohio Township. The Township’s character is related to physical attribute of the Township, including its land use patterns and natural resources. The PUD district is intended to achieve the following land use objectives.

A. Provide a variety of housing and lot sizes to promote the planning of a development that is more sensitive to the protection of natural resources on sites by clustering the housing in areas physically suited to accommodating development and preserving the resources in open space.

B. Encourage the protection of open space by permitting developments with a range of densities that also provide open space, consistent with the open space character of the surrounding areas.

C. Preserve open spaces to reduce erosion, improve water quality, provide wildlife habitats, retain scenic views, and reduce storm water runoff.

D. Preserve areas with steep terrain by respecting topography and other natural features in the development plan and maintaining significant percentages of land in open space in wooded and sloped areas.

E. Provide for a variety of housing types in a single unified development that is integrated into the community.

F. Provide a transition between higher densities in the area around the Village of New Richmond as a transition between the Village and existing neighborhoods in the Township.
G. Respect the character of surrounding developments by providing buffers as a transition to higher density uses.

H. Provide a higher level of design review to ensure attractive, well-planned communities and eliminate the barriers to creative and sensitive design that may exist when attempting to comply with conventional district standards and subdivision rules.

I. Respect the balance between mass or volume and vegetation mass or volume by considering scale relationships between the new development and existing buildings and the landscape.

**SECTION 2. Definitions.** The terms in Article X-A shall have the definitions set forth in this Section. Any defined term in this Section that is used in the definition of another defined term is italicized.

A. **Buffer.** A designated area provided to mitigate the potential adverse impacts between two land uses or between a land use and a natural feature, which mitigates potential impacts by some combination of construction design, vegetative plantings, fences, and/or maintenance practices.

B. **Buildable Area.** The area remaining after subtracting the open space area from the site area.

C. **Building Pad.** An area delineated within the setback lines of a lot within which an applicant proposes to limit construction, and outside of which no work or site disturbance may occur.

D. **Density.** The average number of dwelling units allowed on an acre of land.
   1. Density, Gross (GD): The total number of dwelling units on a site divided by the site area.
   2. Density, Net (ND): The total number of dwelling units on a site divided by the buildable area.

E. **Dwelling Unit Types.** The types of dwelling units, as defined below, shall be permitted in a PUD district:
   1. Single-family Detached: A dwelling unit with street, side, and rear yards that sits generally in the middle of the lot. The dwelling unit types described in Section 6 of this Article as “Single-Family” and “Village” are
single-family detached. The Village houses have smaller front yard
requirements than other single-family housing types.

2. Single-Family Lot Lines: A single-family unit that may be located on the
lot line so that only one side yard exists. A maintenance easement is
provided on the adjoining lot. No single-family lot line unit may be
placed next to another such unit along the same lot line. If the zero side
yard option is used, windows should either be eliminated or placed at
level that provides light but preserves privacy.

3. Single-Family Attached: A single-family unit with one dwelling unit from
ground to roof, having its own footprint, and with at least one wall that
is common to the adjoining unit. Each unit must have individual ground
level access. The dwelling unit types described in Section 6 of this Article
as “Duplex” and “Townhouse” are single-family attached units.

4. Multiple-Family: A structure containing more than one (1) dwelling unit
with either direct access to the outside, or through a common hallway,
with a separate kitchen and bathroom facilities and living quarters in
each unit.

F. Floor Area, Gross (GFA). The sum of the total horizontal areas of every
floor of every building on a lot. The measurement of gross floor area shall
be computed by applying the following criteria:
1. The horizontal square footage is measured from the outside face of all
   exterior walls.
2. Cellars, basements, penthouses, attics, covered or uncovered porches,
   balconies, decks, enclosed storage or mechanical areas, mezzanines, and
   similar structures shall be included in GFA wherever at least seven (7)
   feet are provided between the finished floor and the ceiling.
3. No deduction shall apply for horizontal areas void of actual floor space;
   for example, elevator shafts and stairwells. The protected upper floors
   of open atriums, balconies, and foyers shall not be included.

G. Floor Area Ratio (FAR). A measure derived by dividing the gross floor area
by the size of a lot. FAR gives applicants flexibility in deciding whether to
construct a low building covering a large portion of a lot or a tall building
covering a small portion of a lot. For example:

GFA ÷ Lot Size = FAR

30,000 square feet GFA ??? 100,000 square foot lot = .30 FAR
H. **Gross Area:** The total land and water surface area contained within the boundaries of a lot or tract.

I. **Landscape Surface Ratio (LSR):** The area of landscape surface divided by the *site area*.

J. **Limited Soils:** Those soils listed in the Clermont County Soil Manual as having severe limitations for septic system.

K. **Open Spaces:** Land area to be left undeveloped as a natural resource area, recreation area, buffer yard, or other open space area pursuant of this Article. Open space excludes areas in lots, street rights-of-way, public utility rights-of-way in excess of fifty (50) feet, and parking. (See definition of *site area*). Private open space is designed and intended for common use and the enjoyment of the residents in a residential development. Public open space is designed and intended for common use and the enjoyment of the public generally.

L. **Planned Unit Development:** A development that is planned to integrate proposed land uses on a tract of land under single ownership or control or unified plan of development, and is developed in a single phase or multiple phases according to approved plans and design principles, with provisions for the operation and maintenance of common areas, improvements, and facilities.

M. **Site Area:** The total land area of a site included within the boundaries of a PUD district minus any land that is in the right-of-way or easement of a public utility having a width of fifty (50) feet or more.

N. **Woodlands:**
   1. **Mature Woodland.** A wooded area, or stand of trees, of a least five thousand (5,000) square feet, which contains an average of at least two (2) trees per one thousand (1,000) square feet of land area which have a caliper of 14” or greater measured at 48” above ground.
   2. **Mid-Growth Woodland.** A wooded area, or stand of trees, of at least five thousand (5,000) square feet, which contains an average of at least five (5) trees per one thousand (1,000) square feet of land area which have a caliper of 9” or greater measured at 48” above the ground, and which does not contain enough larger trees to be classified as a “mature woodland”.

77
3. **Young Woodland.** A wooded area, or stand of trees, of at least five thousand (5,000) square feet, which contains an average of at least five (5) trees per one thousand (1,000) square feet of land area which have a caliper of 4” or greater measured at 48” above ground, and which does not contain enough larger trees to be classified as either a “mid-growth woodland” or a “mature woodland”.

---

**SECTION 3. Establishment of Planned Unit Development Districts.** The following types of PUD districts are hereby established and may be proposed through an amendment to the Zoning Resolution:

A. “PUD-R” Planned Residential District
B. “PUD-MU” Planned Mixed-Use District
C. “PUD-B” Planned Business District

**SECTION 4. Planned Unit Development District Purposes.** The PUD districts shall have the following purposes:

A. **Planned Residential Districts.** For residential uses within a PUD district, the objective is to encourage the creation of neighborhoods with a variety of housing types that retain natural resources, provide adequate landscaping and open space area, and compatible with the character of adjoining land uses.

B. **Planned Mixed-Use and Business Districts.** For nonresidential uses within a PUD district, the objective is to create streetscapes that emphasize landscaping, coordinated sign control, and uniform architectural character. Proposed buildings should have rooflines and architectural features that provide a sense of identity and emphasize the most important use with visual elements.

**SECTION 5. Location of PUD Districts: Permitted Uses.** The Zoning Resolution may be amended to establish PUD districts in the following zoning district areas of the Township:
A. **PUD-R.** Property located in the Residence A, Residence B, and Residence C districts, as defined in the Zoning Resolution, may be rezoned to a PUD-R district. Uses permitted in the Residence A, B, and C districts shall be permitted in the PUD-R district.

B. **PUD-MU.** Property rezoned to a PUD-MU district. Property adjoining the Village of New Richmond that is located in the Residence A, B, and C district may be rezoned to a PUD-MU district. Uses permitted in the Residence A, B, and C districts and the Business district shall be permitted in the PUD-MU district. In the area adjoining New Richmond, the Township shall give particular consideration to access traffic volumes, and compatibility of the proposed use or uses with the surrounding land uses in determining whether a PUD district shall be approved.

C. **PUD-B.** Property located in the Business district, as defined in the Zoning Resolution, may be rezoned to a PUD-B district. Uses permitted in the Business district shall be permitted in the PUD-B district.

**SECTION 6. Minimum Performance Standards.** Except as otherwise authorized by the Board of Trustees, PUD districts shall comply with the following performance standards:

A. **Density and Intensity of Use Standards.** A PUD shall comply with the standards set forth in Table 1 for the corresponding Residence A, B, and C or Business zoning district. However, in order to provide a transition between the densities in the Village of New Richmond and existing developed areas in Ohio Township, the Board of Trustees may authorize an adjustment to the density and intensity of use standards in Table 1 for a PUD district.

**NOTES:**

- LSR = Landscape Surface Ration
- FAR = Floor Area Ratio
- Site area may be varied, if the applicant demonstrates that development of a site is constrained by unusual topographic features, natural resources, or other factors and that the use of a PUD would be superior to development under normal zoning and would better protect natural resources.

**B. Lot Standards.** A PUD may contain various housing types which shall comply with the minimum lot size, frontage, and setback requirements set forth in Table 2.

NOTES:

<sup>1</sup> Setbacks may be adjusted if the applicant proposes building pads to protect natural resources on the site.

<sup>2</sup> Setbacks may be varied for these unit types if a garage is proposed in the rear of dwelling.

<sup>3</sup> Side load garages may be located within eight (8) feet of the right-of-way.

<sup>4</sup> Minimum one (1) side yard; average must be twenty (20) feet wide. A five (5) foot maintenance easement must be provided on the other side.

<sup>5</sup> Setbacks may be varied for non-residential buildings to minimize conflicts with adjoining residential sues, consistent with the intent to have buildings nearer to the street with adequate landscaping and to locate parking at the rear of the building.
C. **Resource Protection Standards.** The natural resources listed in this Section are resources that are sensitive to development and need to be protected. Table 3 established the minimum percentages of these natural resource area that are to be preserved as open space.

1. **Mapping of Natural Resource Areas.** Preliminary and Final Development Plans shall include maps of the following resources and indicate those portions that will be protected with a conservation easement, utilizing one of the methods described in Section 6.C.2.

2. **Method of Preserving Resource Protection Areas.** The responsibility and standards for preservation of all resource protection areas shall be specified and provision shall be made for guaranteeing such responsibility. In general, a resource protection area should be in common open space where it is maintained by a homeowners’ association or public agency, except as follows:

a) Open space may be provided on individual lots in excess of two (2) acres or on individual lot in PUD districts with fewer than ten (10) lots.

b) Open space in private ownership shall be protected by a conservation easement shown on the final development plan and deed restrictions prohibiting in perpetuity the development and/or subsequent subdivision of the resource protection area or their use for purposes other than those specified on the final development plan.

D. **Buffer.** A buffer shall be installed along all borders of a PUD district. The buffers are intended to screen the housing from the streets and adjoining properties that are different in character. Buffer shall be provided as follows:

1. Buffer shall be installed in all areas of a PUD district bordering on external roads in order to screen residential uses from streets. Buffers along external roads shall be designed to one (1) of the following standards. Each of the alternative buffers represents a screening of similar opacity, but contains various widths and planting requirements. Internal roads shall be landscaped in accordance with Section 6.E., but they do not require a buffer.

2. The buffer in Table 4 represents a standard buffer. The Township may, upon review of the plans and the potential impact of the proposed PUD on adjoining use, modify the buffers in accordance with the following:
   a) Where the units to be constructed adjoining the property line are quite similar in lot size and building mass, the buffer may be reduced.
   b) Where the units to be constructed adjoining the property line are significantly smaller in lot size, where the building mass will be significantly greater, or where orientation or design of the uses will have an adverse impact, the buffer may be increased.
   c) Where existing natural vegetation, or some other feature, can provide screen of similar opacity.

E. Landscaping. Landscaping shall be provided as follows:

1. Open Space. Open space shall be designated on the plan as recreation, buffer yards, natural resource areas, and other open space.
   a) Land designated for active recreation shall at a minimum, have one (1) canopy tree planted along lot line or street rights-of-way for every seventy-five (75) linear feet of boundary.
b) Narrow open spaces between clusters of development shall be a minimum of thirty (30) feet in width and may be attached to adjoining lots as part of a conservation easement.

c) Areas designated as natural resource areas shall be retained in their natural state except for areas upon which pedestrian trails are located.

d) Non-recreational open spaces that are to be mowed and maintained with a lawn ground cover shall have a minimum of four (4) canopy trees plants per acre.

e) Trees and shrubs shall be of native species that are adapted to the soils on which they are to be planted.

2. Parking Lots. For parking lots, one (1) canopy tree shall be installed per ten (10) spaces. The planting area shall have a minimum width of five (5) feet and minimum area of eighty (80) square feet. This is the equivalent of one (1) parking bay with allowances for curbs.

3. Street Trees. All streets, public or private, shall have street trees installed in the right-of-way on both sides of the road. Two (2) canopy trees per one hundred (100) linear feet of parking, including driveway cuts, shall be provided.

4. On-Lot Landscaping. Each lot shall be landscaped on its front half or to a depth of fifteen (15) feet, whichever is less. The Village house may use the entire front yard. The minimum standard for on-lot landscaping shall be two (2) canopy trees, two (2) understory or ornamental trees, and one (1) evergreen tree per one (100) linear feet of lot frontage minus paved areas, or one (1) canopy tree per lot, whichever is greater. The actual mix of plant material shall be the choice of the developer or landowner. The following equivalents may be used to vary the actual mix.

a) One (1) canopy tree equals two (2) understory or evergreen trees.

b) One (1) understory tree equals one (1) evergreen, or twenty (20) shrubs.

5. All landscaping shall meet the following standards:

a) Canopy trees – 2.5 inch caliper

b) Understory trees – 1.5 inch caliper

c) Evergreen trees – six (6) feet in height

d) Shrubs – five (5) gallon pots
F. Parking and Loading. Parking and loading shall be provided in accordance with the provisions of Article XIII of the Ohio Township Zoning Resolution, subject to the landscaping requirements of Section 6.E.

SECTION 7. Approval of Planned Unit Development Districts. The Board of Township Trustees, upon receipt of the recommendation by the Zoning Commission, may approve an application to establish a PUD district by amendment to the Zoning Resolution, upon making specific findings that all applicable requirements have been satisfied and that the following specific conditions have been met:

A. The PUD is consistent with the purpose of this Article, and it will not jeopardize the public health, safety, and general welfare.

B. The proposed development can be substantially completed within the period of time specified in the schedule of development submitted by the applicant.

C. The internal street and primary and secondary roads that are proposed are adequate to serve the proposed development and properly interconnect with the surrounding existing road network as designated on the Ohio Township or Clermont County Thoroughfare Plan. The plan must demonstrate that improvements or other actions have been or will be taken to mitigate those traffic problems identified in the impact analysis required by Section 9.M. that are attributable to the proposed development.

D. Traffic control signals will be provided when the County Engineer determined that such signals are required to prevent traffic hazards or congestion in adjacent streets.

E. The proposed infrastructure, utilities, and all other proposed facilities are adequate to serve the planned development and properly interconnect with existing public facilities.

F. The proposed uses, location, and arrangement of structures, lots, parking areas, walks, open spaces, landscaping, lighting, and appurtenant facilities are compatible with the surrounding land uses.
G. Proposed covenants, easements, and other provisions meet development standards and protect the public, safety, and general welfare.

H. Required resource protection land and open space areas are identified and provisions have been made for the care and maintenance of such area.

I. The PUD is designated to minimize the impact on the natural environment and complies with the performance standards set forth in Section 6.

SECTION 8. Application Procedures. The following procedures shall be followed in applying for rezoning to a PUD district:

A. Application Submission. An applicant may submit an application requesting that the Zoning District Map be amended to rezone a site as a PUD district. Such amendment shall be processed, noticed, and heard in the manner prescribed in this Section and in accordance with the provisions of Article X of this Zoning Resolution and Ohio Revised Code 519.12.

B. Informal Consultation. Applicants are encouraged to engage in informal consultations with the staffs of Ohio Township Zoning Department and Clermont County Planning Commission prior to preparing final plans; however, no statement or representation by members of either staff shall be binding upon either the Department or upon any zoning body.

C. Application Options. An applicant may elect one of the following options for processing a PUD district:

1. Preliminary Plan and Final Plan. An applicant may submit a Preliminary Development Plan, and subsequently submit a Final Development Plan, for any portion of the approved Preliminary Development Plan the applicant wishes to develop. The Final Development Plan submitted according to this option shall be processed in the manner described in Section 10.

2. Final Plan without Preliminary Plan. An applicant may submit a Final Development Plan without a Preliminary Development Plan, pursuant to Section 11.

D. Zoning Certificate. No Zoning Certificate shall be issued for any property for which PUD rezoning is requested and no construction shall begin until
an approved Final Development Plan is in effect for that phase of the
development.

SECTION 9. Preliminary Development Plan Requirements. The Preliminary
Development Plan shall include in text and map form:

A. A Plat of Survey of the tract to be developed, providing a metes and bounds
description of the property and the survey of property lines and total
acreage, existing zoning district boundaries, the area and district to be
rezoned if applicable, and the property ownership of the site, and all
adjacent parcels and buildings within one hundred (100) feet of the subject
site.

B. A list of names and addresses of all owners of property within two hundred
(200) feet of the subject site.

C. Evidence that the applicant has sufficient control over the tract to affect
the proposed plan, including a statement of all ownership and beneficial
interests in the tract of land and the proposed development.

D. Time schedule of projected development, if the total site is to be developed
in phases or if construction is to extend beyond a two (2) year time period.

E. Base mapping of the property showing the physical features including:
significant natural features such as general topography, soils, drainage-
ways, water bodies, floodplains, wetlands, rock outcrops, and forested
areas; and other significant features such as existing and adjacent land
uses, zoning, platted land, streets, alleys, rights-of-way, easements, lots,
buildings, and utility lines.

F. Boundaries and easements of the tract to be zoned as a PUD district.

G. Highways and streets in the vicinity of the tract; ingress and egress to the
tract; existing utilities and sidewalks on or adjacent to the tract.

H. A drainage analysis that includes a description of soil conditions and
proposed method of compliance with the Clermont County Stormwater and
Sediment Control Regulations.

I. A site plan showing the location of general land areas to be developed,
including type and description of land uses, proposed principal streets,
proposed lots, including set back lines, and blocks, proposed sidewalks and
pedestrian circulation systems, and proposed public or common open space or other public facilities, including parks, playgrounds, school sites, and recreational facilities.

J. Calculations of density, open space, and resource protection land, in accordance with the requirements of Section 6.

K. Proposed treatment of existing topography, drainage-ways, tree cover, and proposed landscaping and buffer plantings, in accordance with the requirements of Section 6.

L. Preliminary engineering plans, including: site grading; drainage and utility improvements and extensions as necessary; street improvements, showing proposed general location of vehicular circulation routes and how this circulation pattern relates to the primary and secondary road alignments designated on the Clermont County Thoroughfare Plan.

M. A traffic impact analysis of the proposed development on roadways and intersection with in a study area based upon net project trip generation methodology consistent with the latest edition of the Institute of Traffic Engineers (ITE) Trip Generation and Information Report that at a minimum addresses the following elements: (1) existing roadway conditions, including existing deficiencies and proposed improvements, (2) trip generation based upon the development characteristics, (3) distribution and assignment of trips based upon existing and future roadway network, travel time characteristics, (4) background traffic projections, (5) capacity (level of service) analysis methodology for roadways and intersection, (6) types and costs of roadway and intersection improvements needed to mitigate the traffic impacts directly attributable to the proposed development. A traffic impact analysis shall be provided in addition to any information required be Clermont County Engineer.

N. Additional information as reasonably necessary to address the foregoing issues.

9.1 Action by the Township Zoning Commission. The Township Zoning Commission shall hold a public hearing on the Preliminary Development Plan as provided by Article X of this Resolution and Ohio Revised Code 519.12. Within thirty (30) days after the last
public hearing on such plan, the Commission shall prepare and
transmit to the Board of Trustees and to the applicant
recommendations to the Township Trustees with respect to the
action to be taken on the Preliminary Development Plan. The
Commission may recommend disapproval, approval, or approval with
amendments, conditions, or restrictions. Copies of the findings and
recommendations of the Commission shall be made available to any
other interested persons.

9.2 Action by the Board of Township Trustees. The Board of Township
Trustees shall hold a public hearing on the Preliminary Development
Plan as provided by Article X of this Resolution and Ohio Revised
Code 519.12. If the application is granted, the area of land involved
shall be rezoned to a PUD district by resolution and such resolution
shall incorporate the Plan, including any condition or restriction that
may be imposed by the Board of Township Trustees.

SECTION 10. Submission of Final Development Plan. A Final Development Plan
shall be filed for any portion of an approved Preliminary Development Plan the
applicant wishes to develop, and it shall conform substantially to the approved
Preliminary Development Plan and shall conform to any applicable Clermont
County regulations or other County requirements for maintaining safety. The Final
Development Plan shall include in text and map form:

A. Plat of the parcel to be developed showing existing physical features,
   including; general topography, drainage-ways, designated resource areas,
   and tree cover; and streets, easements, and utility lines.
B. A site plan showing the location and arrangement of all existing and
   proposed structures, including building pads for single-family detached
   units where site constraints limit the placement of proposed structures, the
   proposed traffic circulation pattern within the development, the area to be
developed for parking, the points of ingress and egress including access
   streets where required, the relationship of abutting land uses and zoning
district, proposed lot lines, building setbacks, proposed sidewalks and
   pedestrian walkways, and proposed public or common open space or other
public facilities, including parks, playgrounds, school sites, and recreational facilities.

C. A statement of the anticipated open space, gross density, and net density.

D. For uses other than single-family detached housing, footprints, floor plans, exterior elevations, and types of building materials.

E. Landscaping plans prepared by a landscape architect showing the placement of trees, shrubs, ground cover, and associated structures and improvements, including specifications, species, quantities, and installation of landscaping for common areas, parking areas, open space, street trees, typical front yards, and buffer yards.

F. Specific engineering plans, including site grading, street improvements, drainage, and utility improvements and extensions as necessary.

G. When a development is to be constructed in phases, a schedule for the development of such phases shall be submitted. No such phase shall have a density exceeding the maximum permitted density of the entire PUD.

H. The total area of common open space provided at any phase of development shall, at a minimum, bear the same relationship to the total open space to be provided in the entire PUD as the phases or units completed or under development bear to the entire PUD.

I. Evidence that the applicant has sufficient control over the tract to affect the proposed plan, including a statement of all the ownership and beneficial interests in the tract of land and the proposed development.

J. In the case of a Mixed-Use or Business PUD, a statement identifying the principal types of uses that are to be included in the proposed development.

K. When a PUD includes provisions for common open space or recreation facilities, a statement describing the provisions that are to be made for the care and maintenance of such open space or recreational facilities. If it is proposed that such open space be owned and/or maintained by any entity other than a governmental authority, copies of the proposed articles of incorporation and by-laws of such entity shall be submitted.

L. The required amount of common space land reserved under a planned unit development shall either be held in corporate ownership by owners of the projected areas, for the use of each owner who buys property within the development, or be dedicated to a homeowners’ association who shall
have title to the land which shall be retained as common open space for
parks, recreation, and related uses. The legal articles relating to the
organization of the homeowners’ association are subject to review and
approval by the Planning (Zoning) Commission and shall provide adequate
provisions for the care and maintenance of all common areas. Public utility
and similar easements and rights-of-way for water courses and other
similar channels are not acceptable for common open space dedication
unless such land or right-of-way is useable as a trail or similar purpose and
has been approved by the Commission. The responsibility for the
maintenance of all open spaces shall be specified by the developer before
approval of the final development plan.

M. Copies of any restrictive covenants that are to be recorded with respect to
property included in the PUD.

10.1 Action by the Township Zoning Commission. The Township Zoning
Commission shall evaluate the Final Development Plan at a regular public
meeting. An applicant shall give the Township Zoning Inspector at least ten (10)
days written notice of its intent to submit a Final Development Plan, while at the
same time submitting the names and address of property owners with lot lines
common to the area within such Plan. Such property owners shall be given seven
(7) days advance written notice of this public meeting; said notice being given by
regular mail. The Township Zoning Commission shall hold a public meeting on the
Final Development Plan, considering all aspects of the Final Development Plan.
The Commission shall prepare and transmit to the Board of Township Trustees
and to the applicant specific findings of fact with respect to the extent to which
the Final Development Plan complies with the standards set forth in this Article
and the district in which the property is located, together with its
recommendations to the Township Trustees with respect to the action to be
taken on the Final Development Plan. The Commission may recommend
disapproval, approval with amendments, conditions, or restrictions. Copies of the
findings and recommendations of the Commission shall be made available to any
other interested persons.
10.2 Action by the Board of Township Trustees. The Board of Township Trustees shall hold a public meeting on the Final Development Plan within thirty (30) days of receipt by the Board of Trustees. Property owners with lot lines common to the area within the Final Development Plan shall be given seven (7) days advance written notice of this public meeting; said notice being given by regular mail. At the public meeting, the Board of Trustees will review the Final Development Plan for substantial conformance with the approved Preliminary Development Plan. Based on this review, the Board of Township Trustees shall disapprove, approve, or approve the Final Development Plan with amendments, conditions, or restrictions. If the Final Development Plan is approved, the Plan shall be incorporated into the Zoning Resolution and the Zoning District for which the Plan is proposed, including any condition or restriction that may be imposed by the Board of Trustees.

SECTION 11. Submission of Final Development Plan without an Approved Preliminary Development Plan. A Preliminary Development Plan is not required if an applicant files a Final Development Plan for the entire site incorporating all requirements of both the Preliminary and Final Development Plans. The Final Development Plan shall be processed, noticed, and heard in the manner prescribed in Article X of this RESOLUTION and Ohio Revised Code 519.12. The Final Development Plan shall be in text and map form.

11.1 Action by the Township Zoning Commission. The Township Zoning Commission shall hold a public hearing on the Final Development Plan as provided by Article X of this RESOLUTION and the Ohio Revised Code 519.12. Such public hearing shall consider all aspects of the Final Development Plan, including any proposed phases and/or units of development. Within thirty (30) days after the last public hearing on such plan, the Commission shall prepare and transit to the Board of Township Trustees and to the applicant specific findings of fact with respect to the extent to which the Final Development Plan complies with the standards set forth in Section 6 of this Article and the district for which the change has been requested, together with its recommendations to the Township Trustees with respect to the action to be taken on the Final Development Plan. The Commission may recommend disapproval, approval, or approval with
amendments, conditions, or restrictions. Copies of the findings and recommendations of the Commission shall be made available to any other interested persons.

11.2 Action by the Board of Township Trustees. The Board of Township Trustees shall hold a public meeting on the Final Development Plan as provided by Article X of this RESOLUTION and Ohio Revised Code 519.12. If the application is granted, the area of land involved shall be rezoned as a PUD district by resolution, and such resolution shall incorporate the Plan, including any condition or restriction that may be imposed by the Board of Township Trustees.

SECTION 12. Subdivision Plat Required. A zoning certificate may be issued for a structure in a PUD district, in accordance with an approved Final Development Plan, following approval by the Clermont County Planning Commission of a final subdivision plan for that portion of the PUD within which the proposed structure is to be located and recording of the approved subdivision plat.

SECTION 13. Expiration Date for Development Plan Approval and Extension of Time

A. Preliminary Development Plan. Preliminary Development Plans shall expire one (1) year from the date of approval of the plan unless a complete Final Development Plan has been submitted to the Board of Trustees for its consideration prior to expiration of the Preliminary Development Plan. The Board of Trustees shall give ten (10) days notice to the applicant prior to the expiration of the Preliminary Development Plan, the Board of Trustees may, in accordance with the provisions of Section 13.D., revoke Preliminary Development Plan approval and revoke the PUD district zoning designation.

B. Single Phase Final Development Plans. If an applicant fails to diligently pursue development of a site in accordance with a single phase Final Development Plan, the Board of Trustees may, following a public hearing pursuant to Section 13.D., by resolution, revoke Final Development Plan approval and the plan shall become null and void. If a subdivision plat for
the area included in the Final Development Plan has not been recorded in
the records of the Clermont County Recorder within twelve (12) months of
the date of Final Development plan approval, the Board of Trustees may,
following notice pursuant to Section 13.D., revoke approval of the Final
Development Plan. Upon revocation of Final Development Plan approval, if
a Preliminary Development Plan was approved for the PUD district, the
tract shall revert to the Preliminary Plan Development stage and shall be
subject to the submittal time frame set forth above in Section 13.A.

C. Multi-Phase Final Development Plans. When the recording of the
subdivision plan for any phase fails to meet the schedule submitted under
Section 10.G., following a public hearing pursuant to Section 13.D., the Final
Development Plan shall become null and void for the portion of the tract
for which no subdivision plat shall have been recorded. If a Preliminary
Development Plan was approved for the PUD district, that portion of the
tract shall revert to the Preliminary Development Plan stage and shall be
subject to the submittal time frame set above in Section 13.A.

D. Review of Status of PUD District and Development Plans. If an applicant
fails to comply with any of the provisions of this Section, the Board of
Trustees may review the status of any approved PUD district or any
development plan and take action in accordance with the following
procedures:
1. The Board of trustees may hold a public hearing to review the status of
any approved development plan and, at the conclusion of the hearing,
may by resolution (a) extend any applicable time period, or (b) modify or
revoke the Preliminary and/or Final Development Plan approval.
2. The Board of Township Trustees may, in accordance with the provisions
of Article X of the Zoning Resolution and Ohio Revised Code 519.12,
revoke the PUD district zoning designation and rezone the property to
the zoning in place prior to approval of the PUD district.

SECTION 14. Modification. An approved Preliminary of Final Development Plan
may be amended by following the procedures describe in this Section.
A. Minor Adjustments. The Township Director of Zoning and Planning may authorize minor adjustments in the Final Development Plan which become necessary because of field conditions, detailed engineering data, topography, or critical design criteria pertaining to drives, curb cuts, retaining walls, swimming pools, tennis courts, fences, wall building locations, and building configurations, parking area locations, or other similar project particulars. These minor adjustments may be permitted, provided that they do not increase density, decrease the number of parking spaces, or allow buildings closer to perimeter property lines, and provided that they appear necessary in light of technical or engineering considerations.

B. Major Adjustments. Major adjustments to any Preliminary and/or Final Development Plan that substantially alter the concept or intent of the approved Preliminary and/or Final Development Plan may be approved only by the Board of Township Trustees upon a petition to amend the Preliminary and/or Final Development Plan, pursuant to the procedures for the plan approval set forth in this Article.

ARTICLE XIII

WIRELESS TELECOMMUNICATION TOWERS

The purpose of this amendment to the Zoning Resolution is to 1) locate telecommunication towers in non-residential areas and to minimize the total number of towers; 2) encourage the joint use of new and existing towers; and 3) encourage telecommunication companies to locate towers in areas of the Township where the adverse impact to the community will be minimized.

A certificate for the location, erection, construction, reconstruction, change, alteration, maintenance, removal, use, or enlargement of a cellular or wireless telecommunication tower in any zoning district may be issued, upon application and compliance with Ohio Revised Code 510.211 and this RESOLUTION, provided the applicant has satisfied the following standards:

A. The notification procedure requirements of the Ohio Revised Code Section 519.211 shall be followed irrespective of the zoning classification upon which the facility is or is to be located.

B. Telecommunication towers shall be subject to the zoning certificate review requirement of Article VI of the Ohio Township Zoning Resolution.

C. The applicant shall provide in a form satisfactory to the Township that the proposal has been reviewed and/or approved by all agencies and Governmental entities with jurisdiction, if required, including, but not limited to, the Ohio Department of Transportation, the Federal Aviation Administration, the Federal Communication Commission, or the successors to their respective functions.

D. The applicant shall demonstrate by clean and convincing evidence that its tower antenna cannot be located on any other communication tower, building, or structure in the geographic area to be served, and that all reasonable means have been undertaken to avoid any undue negative impact caused by the clustering of towers within an area, and that the antenna must be placed where it is proposed in order to satisfy its necessary function in the company’s grid system. The evidence should include, but is not necessarily limited to the following:
1. The relationship of the proposed telecommunication tower to the applicant’s overall grid.

2. Structural engineering evidence that an existing telecommunication tower lacks the tolerance to support an addition antenna array.

3. Engineering evidence that the frequency of the existing antenna array will interfere with the applicant’s frequency.

4. Engineering evidence that the addition of an antenna to an existing tower will exceed FCC RF emissions criteria.

E. In the case of the construction of new facilities by the applicant, the applicant shall agree to construct the telecommunication tower to accommodate additional antenna arrays and shall make the tower available to other cellular and/or wireless communications companies; telephone, radio, and television companies; and the local police, fire, and EMS departments.

F. For reasons of aesthetics and public safety, such facilities shall be effectively screened on each side. Screening shall consist of a solid masonry wall or solid fence, not less than four nor more than six feet in height. The use of razor or barbed wire shall be prohibited. Screening walls and fences shall meet the minimum setback requirements. Spaces between any screening device and adjacent property lines shall be including, but not limited to, grass, hardy shrubs, evergreen grown cover, etc. All screening devises and landscape materials shall be maintained in good condition.

G. The applicant shall post a performance bond in an amount set by the Township ZONING INSPECTOR to provide for the removal of the facilities after ceasing of operations.

H. The applicant, or its successor, shall, within thirty (30) days of ceasing operation at the site of the telecommunication tower, give notice of such to the Ohio Township ZONING INSPECTOR and the Township Zoning Commission. Facilities shall be removed within twelve (12) months of ceasing operations.

I. Resale or renting of the facilities is permissible only to other telecommunication systems subject to obtaining a zoning certificate from the Ohio Township ZONING INSPECTOR.

J. The applicant and/or property owner shall annually file on or before January 1 of each year a declaration with the Ohio Township ZONING
INSPECTOR and the Township Zoning Commission as to the current
ownership and operation of every facility located within the Township.
OHIO TOWNSHIP BOARD OF TRUSTEES
CLERMONT COUNTY, OHIO

Resolution # 2018-55

A RESOLUTION AMENDING THE ZONING RESOLUTION

The Board of Trustees of Ohio Township, Clermont County, Ohio met in regular session on the 13th day of August, 2018, at the Ohio Township Administration Building, 2877 Mt. Pisgah Rd., with the following members present: Mr. Rick L. Hinson, and Mr. Charles R. Polster.

Mr. Hinson moved adoption of the following resolution:

WHEREAS, On June 11, 2018, the Board of Trustees referred certain amendments to the zoning resolution adopted by Ohio Township on February 9, 1971 to the Zoning Commission; and

WHEREAS, the proposed amendments were reviewed by the Clermont County Regional Planning Commission at its June 26, 2018 meeting and the Township Zoning Commission at a meeting held July 9, 2018; and

WHEREAS, the recommendation of the Zoning Commission to adopt the proposed amendments has been certified to the Township Board of Trustees; and

WHEREAS, the Township Board of Trustees conducted a public hearing to receive input on the proposed amendments to the zoning resolution;

NOW THEREFORE BE IT RESOLVED, that the Ohio Township Board of Trustees, Clermont County, Ohio:

1. That the Board of Trustees hereby amends the zoning resolution as follows:

   Article IV Section 10. Swimming Pools is hereby amended as follows:

   A. All regulations governing the installation of private in-ground swimming pools within Ohio Township shall be in accordance with the Environmental Sanitation Regulations adopted by the Clermont County Board of Health. No private swimming pool, exclusive of portable swimming pools with a diameter of less that twelve (12) feet or with an area of less than one hundred (100) square feet, or a farm pond, shall be allowed in any residential district except as an accessory use, and shall comply with the following requirements.
   1. The pool is intended to be used solely for the enjoyment of the occupants of the property on which it is located and their guests.
2. The pool may be located anywhere on the premises except in required front yards, provided that it shall not be located closer than fifteen (15) feet to any property line.

3. An in-ground swimming pool, or the entire property upon which it is located, shall be walled or fenced in such a manner as to prevent uncontrolled access by children from adjacent properties. No such fence shall be less than four (4) feet in height, and it shall be maintained in good condition with a gate and lock.

B. After a permit from the Clermont County District Board of Health is obtained for an in-ground swimming pool, a township zoning permit must also be obtained.

C. A township zoning permit must be obtained for any above-ground swimming pool which is four (4) feet or more above ground. Such a pool shall be located not less than fifteen (15) feet from any road right-of-way or property line, and shall be fenced with a four (4) foot fence or otherwise equipped with suitable safety devices designed to prevent entrance into the pool when not attended by the owner or his/her representative.

**Article IV Section 12** is added to the zoning resolution as follows:

**Section 12. Fences, Walls, and Entry Gates**

Fences, walls, and entry gates may be permitted in all zoning districts in accordance with this section.

A. General Standards

The following standards apply to all fencing, walls, and entry gates subject to this section.

1. No barbed wire, other sharp-pointed material, or electrically charged material shall be used in the construction of a fence, wall, or entry gate unless authorized by a variance (See Appeals, Variances, and Conditional Uses) for the purpose of security in a nonresidential zoning district.

2. Fences, walls, and entry gates shall be constructed of common fencing materials such as plastic, vinyl, wood, wrought iron, steel, brick, and stone.

3. Fencing and walls should follow the natural contour of the land on which it is located.

4. These regulations do not apply to retaining walls.

5. Any fencing utilized for an agricultural use as described in O.R.C. 519.01 and 519.21, is exempt from the regulations of this section.

6. A fence that is designed with a finished appearance on only one side shall be oriented so that the finished side faces any right of way or adjacent lot.

7. Fence or wall height shall be measured from the lowest point within three feet on either side of the fence to the top most portion of the fence.

B. Fences and Walls

1. Front Yard
a. Fencing and walls in the front yard shall not exceed 48 inches in height.
b. No fence or wall shall be erected within three (3) feet of any public right-of-way line, or 15 feet from the curb or edge of pavement, whichever is the greatest setback from the centerline of the street.
c. No fence or wall shall be erected within 25 feet of an existing or proposed street or right-of-way intersection, or interfere with visibility from driveways or intersections.
d. All structural supports of any fence or wall permitted in this section shall be erected with all supports on the inside of the area to be enclosed.

2. Side and Rear Yard
   a. Except as otherwise provided in this subsection, no fence shall exceed six (6) feet in height.
   b. No fence surrounding a tennis court shall exceed ten (10) feet in height.

3. Exceptions to Fence Heights
   a. Ornamental fence posts may exceed the maximum height requirements set forth above by eight (8) inches.
   b. The fence heights established above may be increased by three (3) inches in order to provide space between the bottom of the fencing material and the ground.

4. Keeping of Chickens or Rabbits
   a. Chickens must be confined within a fenced area of the yard at all times.
   b. No covered enclosures or fenced area shall be located closer than 25 feet to any residential structure on an adjacent lot or shall comply with the setbacks of the applicable zoning district, whichever is greater.

THEREUPON, Mr. Polster seconded the said motion and upon roll call being called the vote was as follows:

Mr. Vogelsang – Absent

Mr. Hinson – Yea

Mr. Polster – Yea
